☒ Registration  
☐ Reregistration

(under FIFRA, as amended)

Term of Issuance: Until  
Reregistration

Name of Pesticide Product:

Combat Extra

Name and Address of Registrant (include ZIP Code):

Haviland Consumer Products, Inc.  
421 Ann Street NW  
Grand Rapids, Michigan 49504

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistration under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase, "EPA Registration No.57787-25" to your label before you release your product for shipment.

Signature of Approving Official:

  
Adam Heyward, Product Manager (34)  
Regulatory Management Branch II  
Antimicrobials Division (7510W)

EPA Reg. No. 57787-27

3. Submit five (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward  
Product Manager 34  
Regulatory Management Branch II

#### **DIRECTIONS FOR USE**

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

#### **STORAGE AND DISPOSAL**

**STORAGE:** Keep product in a locked storage area and store in original container. Avoid storage near food and food products.

**DISPOSAL:** "Do not contaminate water, food, or feed by storage or disposal."

"Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility." Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Apply the recommended rate of this product at the end of the day when the pool is empty. After treatment, surfaces should be scrubbed to dislodge killed algae and the pool should be vacuumed to remove dead or settled algae. In addition to the treatment, algae occurring in deep cracks or crevices may require additional scrubbing and vacuuming.

#### **RECOMMENDATIONS FOR USE**

Pools having visible algae: Add an initial dose of 18-24 fl. oz. of this product per 10,000 gallons of water.

To maintain pools free of visible algae growth: Additions of 6-10 fl. oz. of this product per 10,000 gallons of water should be made every 5 to 7 days after the initial treatment.

#### **READ AND FOLLOW THE LABEL DIRECTIONS**

#### **GENERAL INFORMATION**

This product is compatible with those chemicals normally used to treat pools and is effective at both alkaline and acid pH. This product can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorine products.

This product will control almost all of the green and blue-green algae commonly occurring in swimming pool situations. *Phormidium inudatum*, commonly called Black Algae, will be controlled with this product although some scrubbing may be required to loosen the killed algae.

#### **PRECAUTIONARY STATEMENTS / ENVIRONMENTAL HAZARDS**

#### **FISH CAUTION**

THIS PRODUCT IS TOXIC TO FISH. Do not use in any water where fish are present.

#### **NOTICE**

Neither the manufacturer nor the seller makes any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions.
