FILE COPY

Subject: Proteam Supreme
EPA Reg. No. 57787-27
Application Dated: July 8, 2010
Receipt Date: July 15, 2010

Dear Mr. Fortier:

The following notification submitted in connection with registration under the provisions of PR Notice 98-10, Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)9 is acceptable.

Proposed Notification:

- Revised Storage and Disposal Section per PR Notice 2007-4
- Addition of batch code

General Comments:

Based on a review of the material submitted, the following comments apply:

Revise the container disposal section by adding the following statements after the phrase "Triple rinse (or equivalent)."

Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times.

This application for notification to revise the product label, as referenced above, is acceptable. A copy has been placed in our records for future reference.

Please note that the name of this product "ProTeam" may not be acceptable by Agency standards. The Agency does not allow "Professional" or any inference to Professional (i.e., Pro) on pesticidal labels. You must contact the Agency as soon as possible to discuss this issue.

Should you have any questions or comments concerning this letter, please contact me at Henson.Wanda@epa.gov or call (703) 308-6345.

Sincerely,

Wanda Henson
Acting Product Manager (32)
Regulatory Management Branch II
Antimicrobials Division (7510P)

RE: ProTeam Supreme (EPA Reg. No. 57787-27) - Notification per PR Notice 2007-4

To Whom It May Concern:

Please process the enclosed notification for the above referenced product. The purpose of this notification is to add language required by the Pesticide Container Rule under Storage and Disposal per PR Notice 2007-4. I am submitting EPA Form 8570-1 and two copies of the Master Label (one copy with changes clearly marked in red and one clean copy).

“Notification of label change per PR Notice 2007-4. This notification is consistent with the guidance in PR Notice 2007-4 and the requirements of EPA’s regulations at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.”

If you have any questions or need additional information, please feel free to contact me.

Regards,

Milo Fortier

PROTEAM SUPREME

- [Enhancer]
- [Reduces eye and skin irritation.]
- [Controls algae and improves filtration.]

NOTIFICATION
 Date Reviewed: 8/12/2010
 Reviewed By: U. BLASER

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Chemtrec 1-800-424-9300. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Chemtrec 1-800-424-9300.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Chemtrec 1-800-424-9300.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Chemtrec 1-800-424-9300.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

See additional precautions on [back] [side] panel.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS****DANGER**

Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective eye wear (goggles, face shield, or safety glasses). Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ProTeam Supreme is specially formulated to enhance water quality by improving filtration and controlling algae. Use of this product promotes sparkling, clear water and reduces eye and skin irritation for swimmers.

Supreme provides long-lasting algae suppression, controlling all types of algae found in swimming pools, as well as aiding in the removal of existing algae stains.

- 1.) For initial application, introduce two pounds of **ProTeam Supreme** per each one thousand gallons of pool water by broadcasting the material over the surface area of the pool with a pump running. This initial treatment should be added in two doses with one half of the necessary amount being added in each application. For initial pH adjustment use $\frac{3}{4}$ pound ProTeam pH Down (Sodium Bisulfate) or 10 ounces of muriatic acid for each pound of **ProTeam Supreme**, mixing acid in a bucket of water, then add to pool.
- 2.) The pH of the pool water may rise as a normal reaction to the introduction of **ProTeam Supreme**. After a normal turnover of pool water adjust the pH to 7.4-7.6 using a reliable acid demand kit. **ProTeam Supreme** is compatible with all materials normally used in swimming pool maintenance.
- 3.) Test the pool water a minimum once a week or as normally required by local Health Authority Regulations. Sanitizer levels need to be maintained at levels indicated on the sanitizer label. The **ProTeam Supreme** residual should be tested at least once each month and should be maintained at 30-50 ppm. Your ProTeam Dealer can provide this test and water analysis.
- 4.) **ProTeam Supreme** is lost from water only through filter backwash and splash-out.

WINTERIZATION

A pool that has been treated with **ProTeam Supreme** will remain clear and be beautiful throughout the winter months with little or no effort. The pool should be tested to assure that an adequate level of **ProTeam Supreme** is present before shut down. See your ProTeam Dealer for freeze protection information.

STORAGE AND DISPOSAL*(Household / Residential Use)*

Nonrefillable container. Do not reuse or refill this container. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling if available.

(Commercial / Industrial / Institutional Use)

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in original container in a locked area inaccessible to children or pets. Storage areas should be cool and dry. Keep container tightly closed.

Pesticide Disposal: Pesticide wastes may be hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
