Dear Ms. Maass:

Subject: DEET LIP
Ultrathon Insect Repellent Lotion
EPA Reg. No. 58007-1
Submission: October 14, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Although we still encourage inclusion, we have determined that it is acceptable to exclude the phrase from your label "If you go to a doctor, take this repellent with you". You do not need to submit an amendment to remove this from your label.

Sincerely,

RFM
Richard F. Mountfort

INSECT REPELLENT

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.
Squeeze into hand and spread evenly in a thin layer. Use just enough repellent to cover exposed skin. Do not use under clothing. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid overexposure and contact with eyes and lips. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.
May damage some synthetic fabrics, plastics, painted or varnished surfaces. Avoid smearing on plastic eyeglasses, goggles, watch crystals, etc. **WILL NOT DAMAGE** nylon, cotton, or wool fabrics.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
