NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 58007-3."

b. Delete "without high levels of DEET" from the statement "The unique patented . . . Without high levels of DEET."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-7a enclosure for a further description of final printed labeling.

BACK LABEL

ULTRATHON INSECT REPELLENT

The unique patented formula provides up to 10 hours of effective protection against mosquitoes without high levels of DEET.

ULTRATHON comes from a technology developed specially for the U.S. Military and is for use in challenging environments and situations requiring long lasting protection. The formula is resistant to sweat, rain and water splashes so you can enjoy the outdoors longer. The aerosol can even be sprayed upside down for convenient thorough application.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - WARNING: For external use only. Harmful if swallowed. Causes eye irritation. Do not get into eyes or on lips. Do not apply to excessively sunburned or damaged skin. May cause skin reaction in rare cases. Do not allow children to rub eyes if hands have been treated.

STATEMENT OF PRACTICAL FIRST AID TREATMENT: IF IN EYES: flush with plenty of water. If irritation persists get medical attention. IF SWALLOWED, call a physician or poison control center. Get medical help.

PHYSICAL & CHEMICAL HAZARD: EXTREMELY FLAMMABLE. Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Saturation is not necessary. TO APPLY TO FACE, spray into palm of hand and spread evenly on face and neck. DO NOT SPRAY TOWARDS EYES AND MOUTH. For best protection spread evenly with hand to moisten all exposed skin. WORKS ON CLOTHING TOO. Spray shirts, pants, cuffs, socks and around other openings in outer clothing. WILL NOT DAMAGE nylon, cotton or wool fabrics. MAY DAMAGE other synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces.

STORAGE: Store away from heat or flame in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash. Do not puncture or incinerate.
