	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number:  58007-7	Date of Issuance:  29 SEP 1995
		Term of Issuance:  Conditional	
		Name of Pesticide Product:  Ultrathon Spray Insect Repellent	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration  (under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code):  3M Health Care 3M Center Building 275-3E-08 St. Paul, Minnesota 55144-1000			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.  Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.  This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:  1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.  2. Make the following label changes:  a. Revise the EPA Registration Number to read, "EPA Reg. No. "58007-7".  b. Move the following language from the "Precautionary Statements" section into the "Directions for Use":  "Do not apply to hands of young children. Do not apply over cuts, wounds, or irritated skin. Do not spray in enclosed areas."			
Signature of Approving Official:  RPK		Date:  29 SEP 1995	

- 293
- c. Revise the "Precautionary Statements" section so that it reads:  
  
"Warning: For external use only. Causes substantial but temporary eye injury. Do not get in eyes or mouth. Wash thoroughly with soap and water after handling. Harmful if swallowed. Remove treated clothing and wash before reuse."
  - d. Revise the "Statement of Practical Treatment" so that it reads:  
  
"If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. If on skin: Use of this product may cause skin reactions in rare cases. If you suspect that you or your child are reacting to this product, wash treated skin and call a poison control center or a doctor. If you go to a doctor, take this repellent with you."
3. Submit a corrected confidential statement of formula (CSF) for this product that:
- a. Adequately identifies the fragrance contained in the product. The CSF (dated 4/12/95) indicates only that the ingredient is "fragrance". Per 40 CFR 152, the registration application must contain a complete and accurate description of the ingredients in a product.
  - b. Corrects the identification information for the source of the Deet. EPA Registration No. 83401-39 is not a valid number.
4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK

## AEROSOL INSECT REPELLENT

3M has developed an insect repellent with CONTROLLED RELEASE TECHNOLOGY. It provides a continuous shield of protection that lasts up to 8 hours against mosquitoes. Also repels ticks, biting flies, chiggers, gnats, fleas and deerflies. This CONTROLLED RELEASE TECHNOLOGY: — Developed for the U.S. Military for use in challenging situations requiring long lasting protection — Creates an effective barrier that repels mosquitoes and biting insects — Provides effective protection hour after hour — Resists rain, sweat, and water splashes. THIS CAN IS DESIGNED TO SPRAY RIGHT SIDE UP OR UPSIDE DOWN FOR CONVENIENT APPLICATION.

**PRECAUTIONARY STATEMENTS:**  
**HAZARDS TO HUMANS — WARNING:** For external use only. Harmful if swallowed. Causes eye irritation. Do not get in eyes or mouth. Do not apply to hands of young children. Do not apply over cuts, wounds, or irritated skin. Do not spray in enclosed areas.

**PRACTICAL TREATMENT:** IF IN EYES, flush with plenty of water. If irritation persists, get medical attention. IF SWALLOWED, call a physician or poison control center. Get medical attention. IF ON SKIN, use of this product may cause skin reactions in rare cases. If you suspect that you or your child are reacting to this product, wash treated skin and call a poison control center. If you go to a doctor, take this repellent with you.

**PHYSICAL & CHEMICAL HAZARDS: EXTREMELY FLAMMABLE.** Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep treated surfaces away from fire or flame until dry.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.** Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Use just enough repellent to cover exposed skin and clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Do not spray directly on face. TO APPLY TO FACE, spray into palm of hand and spread evenly on face and neck. DO NOT APPLY TO EYES OR MOUTH. For best protection spread evenly with hand to moisten all exposed skin. **WORKS ON CLOTHING, TOO.** Spray shirts, pants, cuffs, socks and around other openings in outer clothing. Do not use under clothing. **WILL NOT DAMAGE** nylon, cotton or wool fabrics. **MAY DAMAGE** other synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing. **STORAGE & DISPOSAL:** Store away from heat or flame in an area inaccessible to children. Do not reuse empty container. Wrap container and put in trash. Do not puncture or incinerate.
