3M AEROSOL INSECT REPELLENT

3M has developed an insect repellent with **CONTROLLED RELEASE TECHNOLOGY**. It provides a continuous shield of protection that lasts up to 8 hours against mosquitoes. Also repels ticks, biting flies, chigger, gnats, fleas and deerflies. This **CONTROLLED RELEASE TECHNOLOGY**: - Developed for the U.S. Military for use in challenging situations requiring long lasting protection - Creates an effective barrier that repels mosquitoes and biting insects - Provides effective protection hour after hour - Resists rain, sweat, and water splashes.

THIS CAN IS DESIGNED TO SPRAY RIGHT SIDE UP OR UPSIDE DOWN FOR CONVENIENT APPLICATION.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS - WARNINGS: For external use only. Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes or mouth. Wash thoroughly with soap and water after handling. Remove treated clothing and wash before reuse.

PRACTICAL TREATMENT: **IF IN EYES:** Flush with plenty of water for 15 minutes. Get medical attention. **IF SWALLOWED:** Call a physician or poison control center. Get medical attention. **IF ON SKIN:** Use of this product may cause skin reactions in rare cases. If you suspect that you or your child are reacting to this product, wash treated skin and call a poison control center. If you go to a doctor, take this repellent with you.

PHYSICAL & CHEMICAL HAZARDS: EXTREMELY FLAMMABLE. Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Use just enough repellent to cover exposed skin and clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Do not spray directly on face. Do not apply to hands of young children. Do not apply over cuts, wounds, or irritated skin. Do not spray in enclosed areas. **TO APPLY TO FACE,** spray into palm of hand and spread evenly on face and neck. **DO NOT APPLY TO EYES OR MOUTH.** For best protection spread evenly with hand to moisten all exposed skin. **WORKS ON CLOTHING, TOO.** Spray shirts, pants, cuffs, socks and around other openings in outer clothing. Do not use under clothing. **WILL NOT DAMAGE** nylon, cotton or wool fabrics. **MAY DAMAGE** other synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

STORAGE & DISPOSAL: Store away from heat or flame in an area inaccessible to children. Do not reuse empty container. Wrap container and put in trash. Do not puncture or incinerate.
