St. Paul, MN 55144-1000

Subject: Revised Label For:  
3M Ultrathon Insect Repellent 8  
Insect/Arthropod Insect Repellent Lotion  
EPA Registration No. 58007-7  
Application dated August 13, 1999

Dear Ms. Price

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in response to the DEET RED is acceptable subject to the comments listed below:

- 1) Change the Precautionary Statements to read as follows:

⌘Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.⌘

- 2) Change the First Aid section to read:

IF IN EYES:

- \* Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- \* Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- \* Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- \* Call a poison control center or doctor immediately for treatment advice.
- \* Have person sip a glass of water if able to swallow.
- \* Do not induce vomiting unless told to by a poison control center or a doctor.

- \* Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT:

- \* Discontinue use.
- \* Take off contaminated clothing.
- \* Rinse skin immediately with plenty of water for 15-20 minutes.
- \* Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

In case of emergency call toll free (insert number).  
Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

- 3) Add a Storage And Disposal section to read:

PESTICIDE STORAGE: Store the product in a cool and dry place. Keep out of reach of children.

CONTAINER DISPOSAL:

IF EMPTY: Do not reuse this container. Place in trash or offer for recycling if available.

IF PARTLY FILLED: Call your local solid waste agency (or toll free number which meets the criteria in paragraph II.E of PR Notice 2001-6) for disposal instructions. Never place unused product down any indoor or outdoor drain.

- 4) Change the Ingredients Statement to read:

DEET.....25.00%  
Other Ingredients 75.00%

- 5) Delete the statement, ~~Developed for the U.S. Military~~.
- 6) The signal word, WARNING, must appear on a separate line directly below the statement, Keep Out Of Reach Of Children.
- 7) The statement, ~~READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL~~, must be moved to the Directions For Use, immediately after the Violation of Federal Law text.
- 8) Change the Physical & Chemical Hazards to read,

✖Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or insinuate container. Exposure to temperature above 130 F may cause bursting.✖.

- 9) Delete the words, EXTREMELY FLAMMABLE, on the front panel of the label.
- 10) The following statements must be grouped together in the Directions for Use section under the Subheading, General Precautions and Restrictions.

✖Do not apply near eyes and mouth.✖  
✖Apply sparingly around ears.✖  
✖Do not apply over cuts, wounds or irritated skin.✖  
✖Do not allow children to handle this product.✖  
✖Do not apply to children's hands.✖  
✖When using on children, apply to your own hands, and then put it on the child.✖  
✖Use just enough repellent to cover exposed skin and/or clothing.✖  
✖Do not use under clothing.✖  
✖Avoid over-application of this product.✖  
✖After returning indoors, wash treated skin with soap and water.✖  
✖Do not spray in enclosed areas.✖

Also, to be eligible for re-registration, the product must be packaged in containers utilizing a concave trigger to help aim the product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

This product is not being re-registered at this time. Product specific efficacy data will be required. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

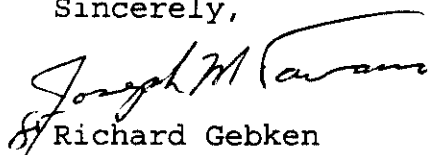

A stamped copy of the draft label is enclosed for your records. Submit two copies of the finished label revised in accordance with the comments listed above before the product is released for shipment under this amended label.

The Confidential Statements Of Formula(CSFs) dated December 6, 2001 for the basic and alternate formulas are acceptable and have been made a part of the file for this product.

CONTROLLED RELEASE FORMULA

NET WT. (insert net weight)

**ACCEPTED**  
**with COMMENTS**  
**In EPA Letter Dated:**  
**APR 8 2004**  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under EPA Reg. No.  
58007-7

3M has developed an insect repellent with CONTROLLED RELEASE TECHNOLOGY. It provides a continuous shield of protection that lasts up to 8 hours against mosquitoes. Also repels ticks, biting flies, chiggers, gnats, fleas and deerflies. This CONTROLLED RELEASE TECHNOLOGY: - Developed for the U.S. Military for use in challenging situations requiring long lasting protection - Creates an effective barrier that repels mosquitoes and biting insects - Provides effective protection hour after hour - Resists rain, sweat and water splashes.

THIS CAN IS DESIGNED TO SPRAY RIGHT SIDE UP OR UPSIDE DOWN FOR CONVENIENT APPLICATION. READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS - WARNINGS:** For external use only. Causes substantial but temporary eye injury. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not apply over cuts, wounds, or open skin. Do not spray in enclosed areas.

**PRACTICAL TREATMENT:** IF IN EYES: Flush with plenty of water for 15 minutes. If irritation persists, get medical attention. IF SWALLOWED: Call a physician or poison control center. Get medical attention. IF ON SKIN: Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this product with you.

**PHYSICAL & CHEMICAL HAZARDS:** EXTREMELY FLAMMABLE. Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep treated surfaces away from fire or flame until dry.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Avoid over-application of this product. TO APPLY TO FACE, spray into palm of hand and spread evenly on face and neck. DO NOT APPLY TO EYES OR MOUTH. For best protection spread evenly with hand to moisten all exposed skin. When using on children, apply to your own hands and then put it on the child. WORKS ON CLOTHING, TOO. Spray shirts, pants, cuffs, socks and around other openings in outer clothing. Do not use under clothing. WILL NOT DAMAGE nylon, cotton or wool fabrics. MAY DAMAGE other synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing again.

**STORAGE & DISPOSAL:** Store away from heat or flame in an area inaccessible to children. Do not reuse empty container. Wrap container and put in trash. Do not puncture or incinerate.
