Subject: Notification to Add Package Sizes
EPA Registration Number: 58007-7
Date of Submission: October 10, 2011

Dear: Ms. Frugis:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated October 10, 2011, for 3M ULTRATHON Insect Repellent 8. The Registration Division (RD) has conducted a review of this request for its applicability under 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The Confidential Statement of Formulas submitted with application has been stamped "Notification" and will be placed in our records

If you have any questions, please contact Melody Banks on 703 305-5413 or via email at banks.melody@epa.gov.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard Gebken".

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS WARNING:

Causes substantial but temporary eye injury.

Harmful if swallowed.

Do not get in eyes or on clothing.

Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-364-3577.	

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.**

Hold container upright about 6 to 8 inches from skin or clothing and spray with a slow sweeping motion.

DO NOT spray in enclosed areas.

TO APPLY TO FACE: When using sprays, **DO NOT** spray directly into face; spray on palm of hands first and then apply sparingly to face and neck and avoid eyes.

DO NOT apply near eyes and mouth, and apply sparingly around ears.

For best protection spread evenly with your hand to moisten all exposed skin and/or clothing.

Do not apply over cuts, wounds or irritated skin.

Use just enough repellent to cover exposed skin.

Avoid over-application of this product.

Heavy application and saturation is unnecessary for effectiveness.

WORKS ON OUTER SURFACES OF CLOTHING TOO:

DO NOT use under clothing.

Apply to clothing such as shirts, pants, hat and socks and around other openings in outer clothing.

DO NOT allow children to handle this product, and **DO NOT** apply to children's hands.

When using on children, apply to your own hands, and then put it on the child.

After returning indoors, wash treated skin with soap and water or bathe.

Wash treated clothing before wearing it again.

Use of this product may cause skin reactions in rare cases.

If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center.

If you go to the doctor, take this repellent product with you.

WILL NOT DAMAGE cotton, wool or nylon fabrics.

May damage some synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals) leather and painted or varnished surfaces (including automobiles).

PHYSICAL AND CHEMICAL HAZARDS: FLAMMABLE. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store the product in a cool, dry place that is inaccessible to children.

Pesticide Disposal: Do not incinerate!

If empty: This container is non-refillable. Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or call 800-364-3577 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Refer to Material Safety Data Sheet (MSDS 16-4412-9) for more information.

For general information, call 1-800-430-5000
