NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.						
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.						
A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.						
Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.						
This product is conditionally registered in accordance with FIFRA						
section 3(c)(7)(A) provided that you:						
 Submit/cite all data require 						
of your product under FIFRA section 3		y requires all				
registrants of similar products to su		woun labal bafara				
Add the phrase "EPA Registra you release the product for shipment.		Aour raner natore				
•		ling before you				
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further						
description of final printed labeling						
If these conditions are not comp						
subject to cancellation in accordance with FIFRA section 6(e). Your release						
for shipment of the product constitutes acceptance of these conditions.						
A stamped copy of the label is enclosed for your records.
