Attention: Attention: Mr. Peter F. Vogt

Subject: ReJeX-iT AP-50
EPA Registration No. 58035-6
Your submissions of April 11 and June 30, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following labeling changes:

1. Revise the "USE RESTRICTIONS" paragraph to read:

"USE RESTRICTIONS: This product may be used to repel ring-billed gulls, Canada geese, and mallards from landfills and from temporary pools of standing water located at or near airports, at industrial or utility plants, at municipal sites, or in developed urban and suburban areas."

2. Insert the subheading "APPLICATION DIRECTIONS:", left-justified, below the end of the "USE RESTRICTIONS" paragraph and above the "Temporary Pools of Standing Water" paragraph.
3. There are many hyphenations at the ends of lines of text on the label submitted on April 11, 1995, whereas there are none at all on the current label. We feel that these hyphenations are unnecessary, as ample open space exists on the label, and make the label more difficult to read.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Robert A. Forrest
Product Manager (14)
Insecticide-Rodenticide Branch
Registration Division (H7504C)

Enclosure: 1. Stamped Label
2. A-79 Enclosure

Peacock WP#6:A:58035-7.AUG:305-5407,-6600:8/8/95

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Do not get in eyes, or on clothing. When handling, wear safety glasses, and dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C). Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

For terrestrial use, do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark.

ReJeX-iT[®] AP-50

ACTIVE INGREDIENT:

Methyl Anthranilate (MA), methyl 2-aminobenzoate. 50.0%

INERT INGREDIENTS 50.0%

TOTAL 100.0%

ReJeX-iT[®] AP-50 has been formulated from Food Grade ingredients that exceed U.S. Food Chemical Codex (FCC) specifications.

STORAGE

STORAGE: Store only inaccessible to children, from pesticides, fertilizers, and other chemicals to prevent cross-contamination from not in use.

REPELLENT DISPOSAL: cannot be used according to Federal regulations resulting from the use of or at an approved waste disposal site.
CONTAINER DISPOSAL: and tapping sides and bottom into application residue into application residue sanitary landfill or by incineration at an approved authority. If drum is damaged, dispose of in the same manner as above.

DIRECTION FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: This product may be used to repel ring-billed gulls, Canada geese, and mallards from landfills and temporary pools of standing water.

Temporary Pools of Standing Water Apply ReJeX-iT[®] AP-50 at a rate of 170 lbs AP-50 per acre (85 lbs a.i. per acre) of water surface when depth < 1 inch, at 3-4 week intervals. Adjust timing of subsequent applications as required by bird activity and anticipated seasonal migrations. For pools of water 2-3 inches deep, apply ReJeX-iT[®] AP-50 at a rate of 340-514 lbs AP-50 per acre (170-257 lbs a.i. per acre) of water surface. Do not add additional product if there is no bird activity.

Landfills Mix 50-150 lbs (25-75 lbs a.i.) of ReJeX-iT[®] AP-50 with each 500 gal of landfill cover spray (such as DayControl[®] or ConControl[®] from New Waste Concepts, Inc.) for each 5,000 sqft of working face per day.

Mix product outside of a ventilated area.

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID

IF IN EYES: Hold eyelids open and flush with a steady stream of water for 15 minutes. Call a physician if irritation persists.

See Left Panel for additional precautionary statements.
