NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.
Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(C), for one year, provided that you:

- A. Make the following changes to your label prior to releasing the product for shipment:
 1. Under First Aid, delete:

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.
 2. After CAUTION, delete:
 - a. or absorbed through skin
 - b. skin,
 - c. rubber gloves,

You may make these changes because we have reclassified your acute dermal toxicity study from Toxicity Category 3 to 4 since no animals died and there were no overt signs of toxicity in animals at the limit dose (2000 mg/kg).

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL _____ DATE _____

2 (58035-8)

Therefore, we do not require any acute dermal precautionary labeling.

3. Follow the instructions, including minimum type sizes, on the A-79 Enclosure.

B. Within one year of registration, or October 1, 1995, you need to submit the following data:

1. Avian Acute Oral (154-6)

2. Acute Freshwater Fish LC-50 (154-8)

) C. Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Robert A. Forrest
Product Manager (14)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

Enclosures: 1) Stamped label
2) A-79 Enclosure

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye injury (irritation). Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

When handling, wear rubber gloves, safety glasses, and dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C).

ENVIRONMENTAL HAZARDS

This product is slightly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, ocean, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

ReJeX-iTTM MA¹⁾

This product may be used only for formulation of registered, end-use products for bird control.

ACTIVE INGREDIENT:

Methyl Anthranilate (MA), methyl 2-aminobenzoate..... 98.5%

INERT INGREDIENTS 1.5%

TOTAL **100.0%**

¹⁾ ReJeX-iT MA, a trade name for Methyl Anthranilate (MA), has been produced to meet or exceed U.S. Food Chemical Codex (FCC) and U.S. Pharmacopoeia (USP) specifications and complies with the British Pharmacopoeia.

STORAGE &

STORAGE: Store only in original container, inaccessible to children, pets, and domestic animals. Do not store with pesticides, fertilizers, food, or feed that may be contaminated by odor. Keep container closed when not in use.
REPELLENT DISPOSAL: Waste may be disposed of on site or at an approved site.
CONTAINER DISPOSAL: Containers may be recycled where available. Otherwise, containers should be disposed of in a sanitary landfill, or by other means approved by local authorities.

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

See Left Panel for additional precautionary statements.

NOTICE: Buyer and/or user assume responsibility for use in strict accordance with directions.
