NOTICE OF PESTICIDE: <input type="checkbox"/> REGISTRATION <input type="checkbox"/> REREГИSTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	NAME OF PESTICIDE PRODUCT Bioscicide	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

100 INDUSTRIALS
 7000 POWER BLVD, NEW YORK, NY 10019
 NEW YORK, NY 10019

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Under the Act, you are required to submit data to support the registration of your product under FIFRA section 3(c)(1) of the Act. The Agency requires all registrants of similar products to submit such data.

1. Submit the following information to the Agency:

2. Make the following changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 58111-2."

b. Revise your First Aid section to read as follows:

CAUTION: IF SWALLOWED

If Swallowed - Flush mouth with copious amounts of water. Do not induce vomiting. If symptoms develop, get medical attention.

If In Eyes - Flush with plenty of water for 15 minutes. Get medical attention.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL _____ DATE _____

If On Skin - Wash with plenty of soap and water. Get medical attention if irritation persists.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ALGECIDE

ACCEPTED
with COMMENTS
In EPA Letter Dated:

MAR 15 1989

For the purpose of this Act
the following information is provided
5811-2

ACTIVE INGREDIENT:

Poly(oxyethylene(dimethyliminio)ethylene
(dimethyliminio)ethylene dichloride) 10.0 %

INERT INGREDIENT 90.0 %

This product contains 0.85 lb. of active ingredient per gallon and weighs
8.49 lb. per gallon

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, or water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the label directions. ALGECIDE is used in swimming pools, exterior spas, whirlpools, hot tubs that do not contain fish. For maximum effectiveness in decorative fountains, and ponds containing heavy growth of algae, use ALGECIDE.

For pools having just visible algae growth add an initial dose of ALGECIDE fluid ounces. Remove settled algae debris by cleaning. For treatment of algae growth in decorative fountains, add initially 41 to 75 fluid ounces of ALGECIDE per 10,000 gallons of water. Subsequent additions of ALGECIDE per 10,000 gallons of water should be made 1 day after initial treatment for maintenance.

Spas, whirlpools, hot tubs, decorative fountains, and ponds containing heavy growth of algae require an initial dose of 8 fluid ounces of ALGECIDE per 1000 gallons of water. Subsequent additions of 1 fluid ounce of ALGECIDE should be made 1 day after initial treatment for maintenance.

ALGECIDE will provide protection during the off-season winter months when pools are not in use.

For pools that are only treated during the swimming season and are free of algae, add 65 fluid ounces of ALGECIDE per 10,000 gallons of water. If season pools have some visible algae growth, add 100 fluid ounces of ALGECIDE per 10,000 gallons. It is necessary that a uniform distribution of water and the pool be made for maximum effectiveness. It is necessary to repeat the treatment one or more times.

ALGECIDE is composed of ALGECIDE and is effective against algae. ALGECIDE can be used in conjunction with chlorine chemicals and may reduce the amount of chlorine required. However, do not mix ALGECIDE with other chlorine products.

STORAGE & DISPOSAL

STORAGE: Do not contaminate water, food, or feed. Keep container closed when not in use. Labeling should be placed in a plastic bag and discarded in trash. All pesticides should be kept out of reach of children.

DISPOSAL: Do not reuse empty container. Wipe up any spillage.
