 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505P) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460</p>	EPA Reg. Number: <p>58190-1</p>	Date of Issuance: <p>SEP 26 2008</p>
	Terms of Issuance: <p>Unconditional</p>	
NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration under FIFRA, as amended		
Name and Address of Registrant (include ZIP Code): <p>ALLTECH, INC. 3031 Catnip Hill Pike Nicholasville, KY 40356</p>		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.</p> <p>The amended label submitted 9/11/08, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable. One copy of the label stamped "Accepted" is enclosed for your records. This label supersedes all labels previously accepted for this product. Please submit one copy of the final printed label before the product is released for shipment.</p> <p>The basic Confidential Statement of Formula (CSF) dated 9/5/08, submitted 9/11/08 in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable. This CSF supersedes all CSFs previously accepted for this product.</p>

FIRST AID

If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If on skin

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 - 20 minutes.
- Call a poison control center or doctor for treatment advice.

If swallowed

- Call poison control center or doctor immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If inhaled

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed, absorbed through skin, or inhaled. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ALFA-SAVE is appropriate for use on forage crops (Alfalfa, Bermuda grass, Bluegrass, Brome grass, Clover, Fescue, Lespedeza, Lupines, Orchard grass, Peanut, Peavine, Rye grass, Soybean, Timothy, Vetch) preserved as hay, whether in conventional baling systems, stackers, large round or square balers. ALFA-SAVE is also appropriate for addition to stored grains (Barley, Corn, Oat, Sorghum, Wheat).

Product effectiveness depends on method of application and treatment rate. As moisture level determines treatment rates, ensure that hay moisture level is known. FOLLOW SPECIFIED RATES WITHIN EACH MOISTURE RANGE! When specified usage rates are followed, ALFA-SAVE will protect hay through the curing/drying process when adequately protected from weather.

APPLICATION:

Uniform distribution is very important. The hay should be raked into medium-sized, fluffy windrows. A 3-nozzle boom should be attached to the baler pick-up such that hay is sprayed while still fluffy so the spray can penetrate the windrow. Fan-type nozzles should be used with a minimum pressure of 20 lbs. per square inch. Flood type nozzles are not satisfactory.

ALFA-SAVE APPLICATION RATES FOR HAY

Moisture Level 18-22% 23-26% 27-30%

ALFA-SAVE /ton 6 lbs. 12 lbs. 18 lbs.

ALFA-SAVE APPLICATION RATES FOR LARGE AND SQUARE BALES

Moisture Level 16-20% 21-24% 25-28%

ALFA-SAVE /ton 6 lbs. 12 lbs. 18 lbs.

ALFA-SAVE APPLICATION RATES FOR STORED GRAIN

Apply as grains go into storage bins. DO NOT ADD TO GRAINS STORED IN EXCESS OF 15% MOISTURE.

Moisture Level 12-15%

ALFA-SAVE /ton (US) 1 lb.
kg/ton (metric) 0.5 kg

STORAGE AND DISPOSAL

DO NOT CONTAMINATE FOOD OR FEED BY STORAGE OR DISPOSAL.

PESTICIDE STORAGE: Store ALFA-SAVE in original container. Avoid storage in direct sunlight.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for reconditioning, if available. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times.

To the extent consistent with applicable law, seller is not responsible for damage, loss or injury of any kind including, without limiting, lost profits. This product must be used as instructed. Express and implied warranties are disclaimed and sellers' responsibility shall not exceed the purchase price of the product. Variation in color does not affect product performance.
