702 Coronado Road  
Corrales, NM 87048

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. To your labeling, add the phrase "EPA Registration No. 58199-4".

3. Submit Five (5) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy is enclosed for your records.

# XTRA-SET™ BLOSSOM SPRAY

XTRA-SET BLOSSOM SPRAY is a ready-to-use natural plant hormone product that provides Biological Grow Power to promote blossom set and fruit development. Used as recommended XTRA-SET will promote flowering, increase blossom set, and increase fruit yield. Tomatoes, Beans, Cucumbers, Eggplants, Melons, Okra, Peppers, Strawberries and Grapes will often bear earlier when treated with XTRA-SET.

## Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. XTRA-SET solution is ready to use as is. To promote blossom set and fruit development, spray the flowers and adjacent foliage with XTRA-SET until the leaves are well wetted. Repeat as blossoms appear or at weekly to two week intervals.

**CAUTION:** Keep out of reach of children. Avoid contact with skin or eyes. May cause irritation.

**FIRST AID:** Skin, flush with water. Eyes, flush with water, get medical attention.

Do not reuse empty XTRA-SET container. Wrap container and put in trash.
