Date of Issuance:

AUG 14 1995

Term of Issuance: Until
Reregistration

Name of Pesticide Product: Roach-No-Mor Brand

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Melson Pest Elimination
607 E. McNichols
Detroit, Michigan 48203

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 58254-2".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

EPA Est. No. 58254-MI-01

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Do not use this product indoors as an overall surface spray or as a space spray. Take care not to introduce this product into the air during application. Avoid breathing of spray mist. Use only in well ventilated areas. Contact with skin, eyes or clothing should also be avoided. Wash hands, arms and face thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse. Do not contaminate feed or food. Do not use in serving areas while food is exposed. Exposed food should be covered or removed during application. Avoid contamination of utensils and food preparation areas. All food processing surfaces and utensils should be covered during application or thoroughly washed with soap and water before use. Keep out of reach of children. Do not treat plants or pets with this product. Remove pets and cover fish aquarium before spraying. Do not allow children or pets to contact treated surfaces until they are dry. Do not use this product in conduits, motor housings or electrical switch boxes.

STATEMENT OF PRACTICAL TREATMENT: In case of poisoning, call a physician immediately. Have patient lie down and keep quiet. If swallowed - Call a physician or Poison Control Center. Do not induce vomiting. Vomiting may cause an aspiration hazard. If inhaled - Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention. If on skin - Wash immediately with soap and warm water. If irritation occurs, get medical attention. If eyes are contaminated, wash with plenty of water. Get medical attention.

SYMPTOMS OF POISONING: A sense of "tightness" in chest, sweating, contracted pupils, stomach pains, vomiting and diarrhea.

NOTE TO PHYSICIAN Antidote - Administer atropine sulfate in therapeutic doses Repeat as necessary to the point of tolerance. Compound inhibits cholinesterase resulting in stimulation of the central nervous system, the parasympathetic nervous system and the

somatic motor nerves. Do not give morphine. Watch for pulmonary edema which may develop in serious cases of poisoning even after twelve hours. At first sign of pulmonary edema, the patient should be placed in an oxygen tent and treated symptomatically.

ENVIRONMENTAL HAZARDS:

This product is highly toxic to fish, birds and other wildlife. Do not apply directly to water or to areas where surface water is present.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

STORAGE AND DISPOSAL:

Do not reuse empty container (bottle, can, bucket). Wrap (container) and put in trash.

APPLICATION: Read the entire directions and conditions of sale before using.

This spray is a highly effective formulation which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides.

ANTS, FLEAS, BROWN DOG TICKS, FLIES CLOVER MITES, HORNETS, CRICKETS, MILLIPEDES, SOWBUGS, EARWIGS, MOSQUITOES, SPIDERS, ROACHES, WATERBUGS, WASPS, SAW-TOOTHED GRAIN BEETLE (exposed). SCORPIONS. In addition to rapid initial kill, Roach no-mor stays on treated surfaces and kills insects many weeks after the spray deposit has dried.

HOW TO USE: This product is ready to use undiluted as it comes from the container, and may be applied with either power-operated or hand-pressurized sprayers. This product shall not be distributed, sold or used with finger-operated trigger sprayers. Apply as a coarse spray to surfaces until wet, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material. Direct spray away from people, plants and pets. Do not apply directly to carpets or floor coverings and avoid excess wetting of asphalt tile, rubber and plastic materials because damage may occur. Care should be taken to avoid spotting of walls, wall coverings and fabrics. Do not apply directly to upholstery or furniture.

INDOOR USE: Spray into cracks, crevices, around baseboards, and other places where the insects listed above hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or house plants. Remove pets and cover fish bowls before spraying. Application may be made to floor surfaces along baseboards and around air ducts, however, do not treat entire area of floor or floor coverings. Do not allow children to contact treated surfaces until they are completely dry.

BROWN DOG TICKS Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

494

OUTDOOR USE: Spray thoroughly those areas where pests have been seen or found including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray runways. For control of wasps and hornets, apply after dark when all of the insects have returned to the nest. Repeat as necessary. Do not spray vegetation.

Condition of Sale: The directions on this label were determined through research to be the directions for correct use of this product. This product has been tested for a range of conditions similar to those conditions that are ordinary and customary in the area where the product is used. Insufficient control of pests may result from failure to follow label directions. In addition, failure to follow label directions may cause injury to animals, man, or the environment. The Seller offers and the Buyer accepts and uses this product subject to the condition that failure to follow label directions are beyond the control of the Seller and are, therefore, the responsibility of the Buyer.
