U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
58369-2

Date of Issuance:
25 MAR 1994

Term of Issuance: Conditional

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

(under FIFRA, as amended)

Name of Pesticide Product:
Nip It in the Bud
Insecticidal
Repellent for Pets
with Oil of
Eucalyptus

Name and Address of Registrant (include ZIP Code):

Nip It in the Bud
12706 Califa Street
North Hollywood, CA 91607

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 58369-2".
- b. Remove the term "naturally" from the label. This is considered misbranding in accordance with 40 CFR 156.10(a)5.
- c. Delete all references to "non-toxic" and "non-poisonous" on the label.
- d. Delete all references to use on puppies and kittens and incorporate the following directive on your label: "FOR USE ON ADULT DOGS AND CATS ONLY. DO NOT USE ON PUPPIES AND KITTENS."

Signature of Approving Official:

Robert S. Brennis, Acting PM 10

Date:

25 MAR 1994

2074

- e. Delete all statements regarding use on "skin sensitive" animals and on pregnant and nursing bitches. All other references to a soothing effect of the products should also be deleted (refer to Agency's Domestic Animal Safety review of January 24, 1994 for specific rationale).
- f. The label must bear the following headings and precautionary statements:

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION

Harmful if absorbed through skin. Avoid prolonged contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

- g. The child hazard warning statement must appear on the front panel of the label as follows: **KEEP OUT OF REACH OF CHILDREN.** The signal word **CAUTION** must also appear on the front panel of the label.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Robert S. Brennis
Acting Product Manager (10)
Insecticide-Rodenticide Branch
Registration Division (7505C)

Spray
NIP IT IN THE BUD™
INSECTICIDAL REPELLENT FOR PETS

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake bottle well before use and frequently during use. Contents separate in 1 min., 48 sec. Spray against lay of coat, then smooth and spray top layer of coat. Fur must be very moist down to the skin. NIP IT IN THE BUD™ INSECTICIDAL REPELLENT FOR PETS instantly kills fleas, flies, mosquitoes, mites, including embedded eggs and larvae, while deodorizing and helping to soothe irritated skin while leaving a residue of Oil of Eucalyptus for protecting pets from re-infestation. Can be used on skin-sensitive ~~adult~~ animals, ~~puppies and kittens of all ages~~. Can be used on pregnant nursing bitches. Use as often as necessary. Wash pet's bedding thoroughly, then freely spray Nip It in the Bud™ Insecticidal Repellent For Pets in and around pet's bedding area. For external use only. For further protection, use Nip It in the Bud™ Insecticidal Shampoo & Repellent For Pets with Oil of Eucalyptus.

INGREDIENTS: Purified Water, IPA, Oil of Eucalyptus

STORAGE AND DISPOSAL: Flammable. Store in a cool, dry area. Temperature not to exceed 80°F. Do not re-use empty container. Dispose of in trash collection, or rinse thoroughly and deliver to suitable recycling center.

PRACTICAL TREATMENT: If rash should develop, discontinue use and consult veterinarian. Even though this formulation is considered a non-eye irritant, for your pet's comfort, avoid direct eye contact. For the Eyes: Flush with water. KEEP AWAY FROM CHILDREN.
