Subject: Notification of Addition and Deletion of Label Statements  
Dr. T's Snake-A-Way Snake Repelling Granules  
EPA Registration No. 58630-1

Dear Mr. Mongiovi:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated September 23, 2010 for the product Dr. T's Snake-A-Way Snake Repelling Granules.

The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-5967 or via e-mail at [gaines.jennifer@epa.gov](mailto:gaines.jennifer@epa.gov).

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Gaines".

Jennifer Gaines

**PRECAUTIONARY STATEMENTS:  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed. Avoid breathing vapors. Avoid contamination of food and feed. Avoid prolonged skin contact.

<b>FIRST AID</b>	
Have label with you when obtaining treatment advice.	
<b>If swallowed:</b>	<ul style="list-style-type: none"> <li>- Call a poison control center or doctor immediately for treatment advice.</li> <li>- Have person sip a glass of water if able to swallow.</li> <li>- Do not induce vomiting unless told to do so by the poison control center or doctor.</li> </ul>
<b>If on skin or clothing:</b>	<ul style="list-style-type: none"> <li>- Take off contaminated clothing.</li> <li>- Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>- Call a poison control center or doctor immediately for treatment advice.</li> </ul>
<b>If inhaled:</b>	<ul style="list-style-type: none"> <li>- Move person to fresh air.</li> <li>- If person is not breathing, call an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.</li> <li>- Call a poison control center or doctor immediately for treatment advice.</li> </ul>
<b>If in eyes:</b>	<ul style="list-style-type: none"> <li>- Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>- Remove contact lenses, if present, after first five minutes, then continue rinsing eye.</li> <li>- Call a poison control center or doctor immediately for treatment advice.</li> </ul>
<b>NOTE TO PHYSICIAN</b>	
If breathing is difficult, give oxygen.	

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**SNAKES:**

**USE RESTRICTIONS:** FOR OUTDOOR USE ONLY. APPLY ONLY AS DIRECTED ON LABEL. To repel rattlesnakes (Genus *Crotalus*) and checkered garter snakes (*Thamnophis marcianus*) from areas around houses, cabins, trailers, garages, utility houses, barns, woodpiles, sand piles, trash cans, and flower beds. This product may also be used around the periphery of gardens. Do not use this product at sites where snakes are believed to be already present as the deterrent effects of the product might tend to confine snakes to the treated areas.

Use in spring, summer, and fall when you expect temperatures to promote unwanted snake activity in the target area.

Do not apply this product in gardens or in fields of crops grown for food or feed. Do not use this product near streams, ponds pools, or water supplies.

**MASTER LABEL – BACK PANEL (Page 2 of 3)**

Tests of this product have suggested that it can be an effective deterrent for the types of snakes listed above. While the product might deter other types of snakes as well, it is not expected to consistently repel snakes of the following types: corn snakes and other rat snakes (Genus Elaphe); and “moccasin” snakes such as cottonmouths and copperheads (Genus Agkistrodon).

**APPLICATION DIRECTIONS:** Using gloves, apply SNAKE-A-WAY IN BANDS SURROUNDING THE AREA TO BE PROTECTED. Use bands 4 to 5 inches wide to repel checkered garden snakes. For rattlesnakes, use bands 8 to 12 inches wide. In yards, lightly sprinkle Snake-A-Way over the area within the treatment band.

When the odor of Snake-A-Way becomes faint, its effectiveness may be diminished. If this occurs during the season when snakes are active, retreat with enough of the product to restore the original odor intensity. Retreatment may also be necessary after heavy rains.

**RATS AND MICE:**

**USE RESTRICTIONS:** FOR OUTDOOR USE ONLY. APPLY ONLY AS DIRECTED ON LABEL. This product may be used to limit damage by house mice (Mus musculus), Norway rats (Rattus norvegicus), or roof rats (R. rattus) to garbage bags placed near residences and other buildings or to garbage bags placed along streets or alleys for garbage collection.

Do not use this product in gardens or in fields of crops grown for food or feed. Do not use this product near streams, ponds pools, or water supplies, or sewers.

**APPLICATION DIRECTIONS:** Using gloves, apply in a lightly sprinkled band around the area where garbage bags are placed. Beginning no more than one foot out from the outermost bags, lightly broadcast until band of product is 24 inches wide. When the odor becomes faint, its effectiveness may be diminished. Retreatment may also be necessary after heavy, washing-type rains.

**STORAGE & DISPOSAL: [Homeowner Sizes]**

**PESTICIDE STORAGE:** Store only in original container, in a cool, dry, and well-ventilated location inaccessible to children, and pets.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available.

**If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**STORAGE & DISPOSAL: [Non-Homeowner Sizes]**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container in a cool, dry, and well-ventilated location inaccessible to children, domestic animals, and pets.

**PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER HANDLING<sup>1</sup>:** Triple rinse (or equivalent). Then offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state or local authorities, by burning. If burned, stay out of smoke.

<sup>1</sup> This “Container Handling” statement is for a “plastic container”. For product in another type of container, use the proper text listed in EPA PR Notice 83-3, Appendix A (Container Disposal Statements).
