Car Mac Insecticide Ear Tag #2		

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Car Mac Products
 P.O. Box 690954
 Houston, TX 77269-0954

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 58639-2" to your label before you release the product for shipment.
3. The results of a 1-year Storage Stability test must be submitted within 15 months from date of this Registration Notice.
4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

CAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling and before eating or smoking.

STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN: Wash thoroughly with soap and water.
IF IN EYES: Flush with plenty of water.

NOTE TO PHYSICIAN: Product contains a cholinesterase inhibitor. Atropine sulfate by injection is antidotal only if symptoms of cholinesterase inhibition appear.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Feder law to use this product in a manner inconsistent with its labeling.

Attach one tag per animal in the spring to control horn flies for that summer season. Tags are easy to apply or replace as necessary. Attach two tags per animal to control face flies, gulf coast ticks, spinose ear ticks and as an aid in the control of lice, stable-flies and houseflies.

INSECTICIDAL EAR TAGS are easy to attach using a variety of methods. They may be punched through an existing ear tag using the Fearing tagging system. However, tags punched through adult sized identification tags on young calves may result in tearing the ear and loss of the tags. Tags may also be positioned across entry-ways where animals are forced to use them as they gain access to barns, feeders, waterers or milking areas.

Calves and cows may mutilate tags by sucking and chewing. Effectiveness against ectoparasites may be reduced.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Remove tags before slaughter. Keep container sealed when not in use.

PESTICIDE DISPOSAL: Wrap used tags and dispose of in trash containers.

CONTAINER DISPOSAL: Dispose of empty bag in a sanitary landfill by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
