OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

February 28, 2012

Sharon Johnston
Agent for CarMac Products Inc.
509 Tower Valley Dr.
Hillsboro, MO 63050

Subject: Amended Reregistration Label
Product Name: Car-Mac Insecticide Die-No-Mite Strip
EPA Registration Number: 58639-5
EPA Decision Numbers: 413311 and 410196

Dear Ms. Johnston:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the PBO and permethrin REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 7/29/11

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever

occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Jennifer Urbanski at 703-347-0156 or urbanski.jennifer@epa.gov.

Sincerely,

 Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.</p>	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE IN POULTRY HOUSES

Caged Layer: Use the enclosed clip to attach strip at a cross-wire, one third distance from front of every cage of up to five (5) birds as an aid in the prevention and control of the Northern fowl mite and lice in poultry. Control of heavy mite infestation may require use of more than one strip per cage of five (5) birds for one to three months.

Breeder: Use the enclosed clip to suspend strip center front of each nest hole. Add one additional strip for each five (5) roosters, strategically placed, where rooster will have daily contact. Properly positioned strips will prevent mites and lice for up to two (2) years.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place inaccessible to children and pets.

Pesticide Disposal: Remove strips when cleaning cages. Securely wrap used strips in a plastic bag or several layers of newspaper and discard in trash.

Container Disposal: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling, if available.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
