Houston, TX 77063

10 JUL 1990

Gentlemen:

Subject: ROACH X-ODOS
EPA Registration No. 58645-1
Your letter of June 28, 1990

301
17
266,934

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable, subject to the comments listed below.

1. On the Front Panel change "INACCESSIBLE SURFACES" to "SURFACES IN INACCESSIBLE PLACES".
2. In your establishment number delete the first "1".
3. On Page 2, after the first sentence, "ROACH ... PLASTIC." add the following:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

4. Add the following at the end of your "Domestic" use directions:

Reapply if necessary.

5. Note the correct spelling of "ESTABLISHMENTS".

Submit five (5) copies of your final printed labeling before you release the product for shipment.

Labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

William H. Miller
Product Manager 16
Insecticide-Rodenticide Branch
Registration Division (H-7504C)

Enclosures:

- 1) Stamped label

ACCEPTED
with COMMENTS
in EPA Letter Dated:

JUL 10 1990

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No.

58645-1

ROACH X-ODOS IS AN ODORLESS, NON-FLAMMABLE, THICK PASTE-LIKE FORMULA THAT ADHERES, HARDENS AND REMAINS ON HARD SURFACES SUCH AS METAL, WOOD AND HARD PLASTIC.

DOMESTIC USE (IN HOMES)

Use Restrictions

Apply only in areas inaccessible to children and pets.
Avoid contamination of feed and foodstuffs.

Application Directions to Kill Cockroaches

Form about one ounce lumps of paste with a knife or spatula and spread to about one-half inch thickness, behind and under (pet-safe) low-leg furniture and floor and counter appliances, such as stoves, sinks, dishwasher, washing machine and dryer, tubs, hard-back parts of couches, dressers and chests of drawers, bookcases, into openings around drains, water pipes and conduits and in corners of sink cabinets, cupboards and closets.

Remove any deposits of paste on exposed surfaces.

DIRECTIONS FOR USE
FOOD HANDLING ESTABLISHMENTS

Places other than private residences in which food or feed is held, processed, prepared or served.

FOOD AREAS

Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups).

Use Restrictions

FOOD AREA application is limited to treatment under and behind stationary floor appliances and furniture. Applications to other areas are not permitted. Remove any deposits of paste on exposed surfaces. Avoid contamination of food or food processing surfaces.

Application Directions to Kill Cockroaches

Form about one ounce lumps of paste with a knife or spatula and spread to about one-half inch thickness behind and under stationary floor appliances and furniture (including stoves, refrigerators, freezers, sinks, utility and work tables, ice and drink machines, and booths). ALSO: One ounce lumps can be spread on metal or plastic trays and placed under stationary furniture and appliances. Reapply if necessary.

NONFOOD AREAS

Includes garbage rooms, lavatories, floor drains (to sewer), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Application Directions

Apply as a spot treatment to selective surfaces such as baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where roaches hide or through which they may enter. AND ALSO: In addition to spot treatment, application may be made under and behind appliances and furniture as described in directions for food handling establishments.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Immediately contact Poison Control Center or physician. IF IN EYE: Flush eyes with plenty of water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: After opening replace metal lid with plastic lid and seal with tape to retain moisture. Store only in original container in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Securely wrap in newspaper and discard in trash.

WARRANTY STATEMENT
SATISFACTION GUARANTEED

If not completely satisfied remove and return with proof of purchase within one year for full refund.
