Dear Ms. Demetre:

Subject: Roach X-Odos
EPA Registration No. 58645-1
Your Letters Dated August 7, 17, and 20, and
September 11, 12, and 18, 1990

Your revised Confidential Statement of Formula dated August 20, 1990 is acceptable.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comment listed below.

- Add the following statement in three areas of your label: 1) At the end of your "Homeowner" use directions; 2) At the end of your "Food Handling" directions; and 3) After the first sentence of your "Storage" instructions:

NOTE: If paste will not spread to the proper thickness (1/4 to 1/2 inch) use an implement to thoroughly mix in a few drops of water.

Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

with COMMENTS
in EPA Letter Dated:

NOV 16 1990

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
58645-1

Manufactured by:
Margaret K. Demetre, Ent.
9602 Highmeadow
Houston, Texas 77063

E.P.A. Reg. No. 58645-1
E.P.A. Est. No. 58645-TX-001

DIRECTION FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ROACH X-ODOS IS AN ODORLESS, NON-FLAMMABLE, THICK PASTE-LIKE FORMULA THAT ADHERES, HARDENS AND REMAINS ON HARD SURFACES SUCH AS METAL, WOOD AND HARD PLASTIC.

DOMESTIC USE (IN HOMES)

Use Restrictions

Apply only in areas inaccessible to Children and Pets.
Avoid contamination of feed and foodstuffs.

Application Directions to Kill Cockroaches

Form about one ounce lumps of paste with a knife or spatula and spread from about one-fourth to one-half inch thickness, behind and under furniture and floor and counter appliances such as stoves, sinks, toasters, dishwasher, washing machine and dryer, tubs, hard-back couches, dressers and chests of drawers, bookcases, into openings around drains, water pipes and conduits and in corners of sink cabinets, cupboards and closets.

Remove any deposits of paste on exposed surfaces.
Reapply if necessary.

**DIRECTIONS FOR USE
FOOD HANDLING ESTABLISHMENTS**

Places other than private residences in which food or feed is held, processed, prepared or served.

FOOD AREAS

Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage.

Use Restrictions

FOOD AREA application is limited to treatment under and behind Stationary floor appliances and furniture. Application to other areas are not permitted. Remove any deposits of paste on exposed surfaces. Avoid contamination of food or food handling surfaces.

Application Directions to Kill Cockroaches

Form about one ounce lumps of paste with a knife or spatula and spread to about one-fourth to one-half inch thickness behind and under stationary floor appliances and furniture (including stoves, refrigerators, freezers, sinks, utility and work tables, ice and drink machines, and booths). Press paste (rubber gloves may be used) into cracks and crevices and other openings behind appliances and furniture along walls and other inaccessible places. (Dispose of gloves after use in accordance with Pesticide Disposal instructions). ALSO: One ounce lumps of paste may be placed on metal, plastic or other hard surfaced trays and placed under stationary furniture and appliances.

Reapply as necessary.

NONFOOD AREAS

Includes garbage rooms, lavatories, floor drains (to sewer), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Application Directions

Apply as a spot treatment to selective surfaces such as baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where roaches hide or through which they may enter. AND ALSO: In addition to spot treatment, application may be made under and behind appliances and furniture as described in directions for food handling establishments.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Immediately contact Poison Control Center or physician. IF IN EYE: Flush eyes with plenty of water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: After opening replace metal lid and seal with tape to retain moisture. Store only in original container in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Securely wrap in newspaper and discard in trash.

WARRANTY STATEMENT
SATISFACTION GUARANTEED
FOR DOMESTIC USE

Results obtained a few days after application. If not completely satisfied remove and return with proof of purchase within one year for full refund.
