YOUR LAUNDRY NEEDS THIS BLEACH:

For the broad range of laundry problems,  
no other detergent additive can give a  
cleaner, brighter wash.

**BRIGHTENS WHITES AND REMOVES STAINS**  
This bleach works with detergent to  
remove tough dirt and stains that  
detergent alone cannot.

**SANITIZE AND ELIMINATES ODORS** This  
bleach sanitizes and deodorizes  
laundry by eliminating most germs  
and their odors.

**BOOSTS COLD WATER CLEANING POWER** Most  
detergents do not clean as well in cold  
or warm water. This bleach gives your  
detergent extra cleaning power to remove  
stains in cooler water.

**SAFE FOR MOST COLOR-FAST WASHABLES**  
This bleach brightens and sanitizes  
colored washables. To check if a  
garment is bleach-safe, try this  
**BLEACH-SAFE TEST:** apply one drop of  
a test solution (1 tablespoon this  
bleach plus 1/4 cup water) to a hidden  
part of the fabric. Check all colors  
including trim. Let stand 1 minute, then  
blot dry. No color change means the  
article can be safely bleached.
