

NOTICE OF PESTICIDE:

REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

D(-241

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

FDQ Manufacturing, Inc.
2160-A Hills Avenue NE
Atlanta, GA 30310

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The product is registered under the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136-136c, and 40 CFR 152.101-152.103.

1. Registrant/owner will not manufacture, sell, or distribute the pesticide in violation of the registration or any other provision of FIFRA, section 241(b) of the Act, or any other law, regulation, or order of the Administrator, or any other provision of law.

2. If the product is found to be in violation of the registration or any other provision of law, you must immediately notify the Administrator in writing and cease the sale of the product.

3. If at any time the Administrator determines that the product is in violation of the registration or any other provision of law, the product may be subject to cancellation or suspension of registration.

If these conditions are not met, the registration of the product is subject to cancellation or suspension of registration. The Administrator may suspend or cancel the registration of the product if the registrant fails to comply with the conditions of registration.

A stamped copy of the label is being returned to you for your records.

Do not get in eyes, on skin, or clothing. Wear goggles or face shield and rubber gloves when handling. Avoid breathing dust or fumes. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse

ENVIRONMENTAL HAZARD

This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters in accordance with NPDES Permit. For guidance, contact the regional office of

PHYSICAL OR CHEMICAL HAZARD

STRONG OXIDIZING AGENT. WILL BURN WITH EVOLUTION OF CHLORINE AND EQUALLY TOXIC GASES. CONTACT WITH WATER SLOWLY LIBERATES IRRITATING AND HAZARDOUS CHLORINE CONTAINING GASES. DECOMPOSES AT 460°F TO 480°F WITH LIBERATION OF HARMFUL GASES.

Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion.

IN CASE OF FIRE: If possible, isolate container in open air or well ventilated area. Flood with large volume of water.

IN CASE OF CONTAMINATION OR DECOMPOSITION: Do not reseal container.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if a sanitary landfill is not available. Rinse empty container with water, and dispose of in the same manner.

OCT 4 1990

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.
