US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION NO.	DATE OF ISSUANCE
	58096-3 TERM OF ISSUANCE <i>Until Reregistration</i>	JUNE 12, 1990
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	NAME OF PESTICIDE PRODUCT Aerofoil Wasp & Hornet Killer	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Aerofoil Technology, Inc.
 225 Industrial Drive
 Fullerton, CA 92630

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The product is not to be sold, registered, or used in violation of the provisions of Section 241(a) of the Act, and the registrant agrees that you will submit to EPA all data required under Section 241(a) for reregistration of your product under FIFRA Section 241(a) when the Agency requires all registrants to do so. You shall submit such data:

(a) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(b) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(c) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(d) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(e) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(f) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(g) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(h) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(i) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(j) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(k) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(l) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(m) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(n) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(o) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(p) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(q) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(r) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(s) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(t) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(u) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(v) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(w) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(x) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(y) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

(z) to the Agency, at the time of registration or reregistration of the product, if the Agency requires such data at that time; or

2. The label for the product shall be printed in accordance with the requirements of the Act and the regulations thereunder.

3. The registrant agrees to pay the fee for registration or reregistration of the product as required by the Act and the regulations thereunder.

SIGNATURE OF APPROVING OFFICIAL	DATE
<i>Dennis H. Edwards</i>	6/12/90

- b. In the ingredients statement correct the spelling of "bendiocarb."
 - c. Add your company name and address to the label, preferably on the bottom front panel or at the end of the label text.
 - d. In the Directions for Use, after "Do not use as a space spray indoors," insert, "Application of this product in food areas is not permitted."
 - e. In the last paragraph of the Directions for Use, change "... effective of this class ..." to "effective on this class ...". Change "Application should be make ..." to "Application should be made ...".
 - f. In the Statement of Practical Treatment, IF ON SKIN, change "... clothing as wash ..." to "... clothing and wash ...".
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with its labeling.

Do not use as a space spray indoors.

To be used in and around homes, apartments, commercial buildings, kennels, barns, patios, institutions, warehouses, theaters, office buildings, schools, motels, hotels, transformers, electrical boxes and those areas where wasps, hornet and yellow jacket nests are generally located.

To operate, remove protective cap and press button, being sure to aim spray opening at the location to be sprayed. Direct spray at wasps, hornets and yellow jackets whenever possible and under eaves, into nests, cracks, holes or crevices wherever insects are noticed. Spray for about 10 seconds or until surface is moist from insecticide. To prevent entrance of insects into the house, spray around points where outside plumbing, faucets, etc. enter the house and into any cracks or crevices in foundation as well as along sills and ledges.

Kills wasps, hornets and yellow jackets: This spray is fast-acting when insects are hit directly. With the breeze at back, thoroughly spray the nest until it is soaked. Allow about 24 hours for those insects which were not directly hit by spray to leave the area. If insects should return to the treated area, spray again. This container delivers a stream type spray, making it possible for the operator to stay back from the places sprayed. This formulation utilizes synergized Bendiocarb, a Combination specifically effective of this class of insects. Application should be made in the evening when the hornets are at rest.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children and pets. Exposure to temperatures above 130°F may cause bursting.
DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be harmful if swallowed or absorbed through the skin. Do not get in eyes. Avoid breathing spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by tickling back of throat with finger. Do not give anything by mouth to an unconscious person. **IF INHALED:** Remove affected person to fresh air. Apply artificial respiration if indicated. **IF IN EYES:** Flush with plenty of water. Contact a physician if irritation persists. **IF ON SKIN:** Remove contaminated clothing as wash affected areas of skin with soap and water. Contact a physician if irritation persists. Wash clothing with soap and water before re-use.

NOTE TO PHYSICIAN: Bendiocarb is cholinesterase inhibitor. Atropine sulfate 2 mg. should be given by injection and repeated as necessary until fully atropinized.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL & CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.
