

F-STOP
BIOLOGICAL FUNGICIDE
SEED PROTECTANT

NOV 27 1990

59441-2

ACTIVE INGREDIENT:

Trichoderma harzianum Rifai strain KRL-AG2.....98%*

INERT INGREDIENTS.....2%

TOTAL.....100%

- * Contains at least 1×10^9 colony forming units per gram (dry weight basis). For use only in the year printed on the container.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans:

CAUTION

Avoid contact with skin or eyes. Avoid breathing dust or spray mist. Wash thoroughly with soap and water after handling. Do not store near food or feed.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, flush eyes or skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

GENERAL INFORMATION

F-STOP is a biological fungicide seed dressing specifically for control of diseases caused by soil-borne Pythium spp. F-STOP should be used on seeds to be planted when soil temperatures exceed 50 degrees F. F-STOP may be applied as a water based slurry or in combination with diluents, carriers and/or adjuvants approved for use for coating seed through standard slurry or mist-type commercial seed treatment equipment. Avoid exposing F-STOP or seed treated with F-STOP to other fungicides.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Note: Failure to follow the directions for use and precautions on this label may result in poor disease control.

SEED TREATMENT

Cotton

- Mechanical or flame delinted - For Pythium spp. seedrot and damping-off, apply F-STOP as a seed treatment at the rate of 5 ounces active ingredient per 100 lbs. of seed.
- Acid delinted - Before treatment, buffer seed to increase pH to 4.0. For Pythium spp. seedrot and damping-off, apply F-STOP as a seed treatment at the rate of 5 ounces active ingredient per 100 lbs. of seed.

Beans (green & dry), Cabbage, Corn (field & sweet), Cucumbers, Peanuts, Potatoes, Sorghum, Soybeans, Sugar Beets and Tomatoes.

For control of Pythium spp. damping-off, apply F-STOP as a seed treatment at the rate of 5 ounces active ingredient per 100 lbs. of seed.

Treated seed must be discolored. Add a dye to the seed treatment mixture.

Note: The purchaser of this product is responsible for ensuring that all seed treated with this product are adequately dyed with a suitable color to prevent its accidental use as food for man or feed for animals. Refer to 21CFR, Part 2.25. Any dye added to treated seed must be cleared for use under 40 CFR, Part 180.1001.

SPECIAL INSTRUCTIONS

Apply F-STOP only in cleaned equipment completely free of fungicide residues. Seed treated with F-STOP should be stored cool and dry. Do not freeze or expose to temperatures above 80 degrees F. for prolonged periods.

STORAGE AND DISPOSAL

Pesticide Storage and Disposal

Store in a cool dry place. Do not freeze or expose to a temperature above 80 degrees F. for prolonged periods. Keep container tightly closed when not in use. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

3 3 3

Container Disposal

Completely empty contents of bag into seed treatment equipment. Dispose of empty bags in a sanitary landfill or by incineration, or by open burning, if allowed by state and local authorities. If burned, keep out of smoke.

Do not use treated seed for food, feed, or oil purposes.

Seed commercially treated with F-STOP must be labeled in accordance with all applicable requirements of the Federal Seed Act.

NOTICE TO BUYER AND SELLER: Seller warrants that this product conforms to the description on the label and is reasonably fit for the purposes stated on the label when used and stored in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to conditions not reasonably foreseeable by the Seller, and Buyer and User assume the risk of any such use. Seller disclaims all other warranties expressed or implied including any warranty of fitness or merchantability. Seller shall not be liable for consequential, special or indirect damages resulting from the use or handling of this product and seller's sole liability and buyer's and user's exclusive remedy shall be limited to the refund of the purchase price.

This product is sold only for uses stated on its label. No express or implied license is granted to use or sell this product under any patent in any country except as specified. Country: United States of America.
