

DEC 17 1991

Mr. Norman Tourtellott
General Manager
Purolite Company
150 Monument Road
Bala Cynwyd, Pa 19004

Dear Mr. Tourtellott:

Subject: Purolite Brominating Cartridge C-112-1
EPA Registration No. 59454-1
Your Amendment Application Dated September 26, 1991

This is in response to your amendment to redesignate the active ingredient from the polybrominated form of trimethylbenzylammonium resin to bromine for the subject product. The following comments apply.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide Fungicide and Rodenticide Act is acceptable subject to the following comment.

The ingredient statement for this product should declare:

Active Ingredient
Bromine* ... 30%

Inert Ingredients 70%
*(from Trimethylbenzylammonium resin polybromide)

A stamped copy of the labeling is enclosed for your records. Submit five copies of the final printed label for inclusion in the product file.

The revised Confidential Statement of Formula agrees with the label and is also, acceptable.

If you have any questions about these comments, please call Marianne Clark at (703) 305-7879.

Sincerely yours,

Ruth Douglas
Product Manager (32)
Antimicrobial Program Branch
Registration Division (H7505C)
