REPELLENT**

292

**BACK PANEL  
PRECAUTIONARY STATEMENTS  
Hazards to humans and domestic animals**

**CAUTION**

**Causes eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.**

**STATEMENT OF PRACTICAL TREATMENT**

**If on skin: Wash with plenty of soap and water. Get medical attention.**

**If in eyes: Flush with plenty of water. Call a physician if irritation persists.**

**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with this labeling.**

**From Australia, "Get Off My Garden" water crystals is a new kind of repellent. Enveloped in suspended water crystals, the repellent provides longer-lasting continuous action by slowly releasing a strong, highly perfumed odor, confusing both dogs' and cats' senses of smell.**

**"Get Off My Garden" is effective in most weather conditions. In dry weather, the moisture of the crystals is drawn into the soil. Rain may occasionally cause the crystals to grow. The repellent remains effective.**

**INDOORS: To prevent your pet from soiling in indoor planters or similar containers, first remove any droppings and water down the areas where droppings or urine have been deposited and where they may be attracted. Then lightly scatter the product around the edges of plant stems and over soil surfaces etc. Lightly reapply every 3 or 4 days, if necessary, until habits are broken. Replace cap after use.**

**OUTDOORS: To prevent your pet, or stray animals from soiling flower beds, areas of lawn, trees, shrubbery or evergreens, first remove any droppings and hose down any areas where droppings or urine have been deposited and where animals might be attracted. Then, lightly scatter the product at the edges of flower and vegetable gardens, trunks of trees, bases of shrubbery and evergreens, patches of lawn, etc. Lightly reapply every 3 or 4 days, if necessary, until habits are broken.**

**Contents (14oz/400g) treats approximately 500 sq. ft. Replace cap after use.**

**For use with "SCATTER CAP" version only, at the beginning of the second sentence of the directions for use of the product "INDOORS" and "OUTDOORS", insert the words "Open the Scatter Cap and squeeze the bottle to" in place of "Then" (and immediately in front of "lightly scatter". In the last sentences of both of these subsections, change "Replace" to "Close" so that the sentence reads: "Close cap after use"**

**Do not apply product directly to soft-stemmed plants, to leaves, or to food crops. Only lightly scatter around new or soft lawns as the product could cause spotting or burning.**

**NOTE: This product is not likely to break the established urination patterns of dogs, unless it is used as a training aid.**

**STORAGE AND DISPOSAL:**

**Storage: Store only in original container in a dry place inaccessible to children and pets.**

**Disposal: Do not reuse empty container. Rinse thoroughly. Securely wrap in newspaper and discard in trash.**

**Packed for: Rudducks USA, Inc.  
5760 Shirley St. #11  
Naples, FL 33942**
