NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. ...

product under FIFRA Section 2(c)(2) and the Agency requires all registrants of similar products to submit such data.

2. Make the following statements on the label before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 59570-2."
- b. ... "acceptable" is an implied safety claim. See 40 CFR 156.1 (a)(3).

PRECAUTIONARY STATEMENT

Hazardous to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and warm water. For eyes, flush with water. Get medical attention if irritation persists. Avoid contamination of food and foodstuffs.

DO NOT APPLY TO FOOD CROPS

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

STORAGE AND DISPOSAL

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Securely wrap in newspaper and discard in trash.

DIRECTIONS FOR USE →

SHAKE WELL BEFORE USE

General: This non-pressurized spray can help you make your pets and stray animals "GET OFF" your furniture, rugs and outside home and garden areas when used in conjunction with training methods such as sharply spoken words and disciplinary action.

Indoors: To alter your pets' habits such as sleeping on rugs, furniture or other areas in your home, spray the area lightly to slightly moisten. To test the effect of this product, first treat a small inconspicuous area. This product may stain some fabrics or plastics. Alternatively, to avoid any possible damage, lightly spray a piece of cloth and place it on the area or object in your home you want to protect. Repeat daily, or as necessary, until the pets' habits are broken.

Breaking of urination habits can only be attempted if the area is thoroughly cleaned and used in conjunction with other training methods.

Outdoors: To prevent your pet, or stray animals, from urinating or soiling outdoor areas (steps, tree trunks, bases of shrubbery, evergreens, patches of lawns or flower beds: remove any droppings, hose clean and spray the spot. Repeat as often as necessary until the habits of your pet or stray are changed. For longer lasting outdoor use, use "GET OFF MY GARDEN"TM water crystals.
