Dear Mr. Lawson:

Subject: Get off My GARDEN  
EPA Registration No. 59578-2  
Letter Dated November 25, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the revised labeling:

- As stated in our letter dated August 28, 1991 change the Precautionary Statements to read as follows:

"Causes eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling."

- As stated in our letter dated August 28, 1991 add a paragraph entitled "Statements of Practical Treatment" to read as follows:

"If on skin: Wash with plenty of soap and water. Get medical attention.

"If in eyes: Flush with plenty of water. Call a physician if irritation persists.

- Under the section **DIRECTIONS FOR USE, OUTDOORS** the approximate area treated should read "500 sq. ft." not 5,000 sq. ft. as written on the draft label.

~~Submit a copy of your final printed labeling before you release the product for shipment.~~

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

GENERAL: This non-pressurized spray can help you make your pets and stray animals "GET OFF" your furniture, rugs and outside home and garden areas when used in conjunction with training methods such as sharply spoken words and disciplinary action.

INDOORS: To alter your pet's habits such as sleeping on rugs, furniture or other areas in you home, spray area lightly to slightly moisten. To test the effect of this product, first treat a small inconspicuous area. This product may stain some fabrics or plastics. Alternatively, to avoid any possible damage, lightly spray a piece of cloth and place it on the area or object in your home you want to protect. Repeat as often as necessary until the pet's habits are broken.

OUTDOORS: To prevent your pet, or stray animals, from urinating or soiling outdoor localized areas (steps, tree trunks, bases of shrubbery, evergreens, patches of lawns, flower beds or trash cans or the perimeter of vegetable gardens, etc.) remove any droppings, hose clean and spray the spot. Repeat as often as necessary until the habits are changed. For larger areas with longer lasting outdoor effectiveness, use "GET OFF MY GARDEN"<sup>R</sup> water crystals.

NOTE: Do not apply directly onto vegetables. Breaking of urination habits should only be attempted if the area is thoroughly cleaned. Do not apply directly to foliage of shrubs or to ornamental soft-bodied plants.

STORAGE AND DISPOSAL:

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Securely wrap in newspaper and discard in trash.
