Rudducks Small Animal
Spray

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
Rudducks International
c/o Adams Technology Systems
1091 Cambridge Square, Suite C
Alpharetta GA 30201-1844

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 59578-7".
 - b. The certified limits for both active ingredients in the formulation are not listed on the Confidential Statement of Formula (CSF). Please submit a CSF listing the certified limits.

Signature of Approving Official:

RPK

Date:

DEC 16 1996

c. Delete the claims "natural" and "organic", they are false and misleading and thus unacceptable.

Based on the toxicity of the cited product, the statement of practical treatment is not required. However, we have no objection if you choose to voluntarily include them.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions, please contact Sheila Moats at (703) 305-6701.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

For Use on Small Animals: Remove animal from cage. Hold bottle upright and point nozzle opening in desired direction of spray. Spray the animal from a distance of 3-12 inches.

Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under body. Fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Allow animal to dry before returning it to cage. As animal dries, keep it in a warm area to prevent it from getting chills. Repeat as necessary.

4 7 4

For Use on Cage Surfaces to Control Fleas, Ticks, Mites and Lice: Remove animal(s)' food and water cups, etc. Cages should be cleaned in hot water weekly. Spray cage surfaces from at least one foot, using 5 or 6 pumps per cage. Spray outside of the cage bottom thoroughly as fleas and ticks often live there.

REPEAT TREATMENT ON CAGES AND ON SMALL ANIMALS AS NECESSARY

STORAGE AND DISPOSAL

Storage: Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets and away from heat or sunlight. Protect from freezing.

Disposal: Do not reuse container. Wrap and discard in trash.

**PRECAUTIONARY STATEMENTS
Hazards To Humans and Domestic Animals
CAUTION**

Harmful if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash skin with soap and water after using. Avoid spraying food or foodstuffs. Remove birds and cover fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Promptly drink one or two glasses of water and contact a physician or Poison Control Center immediately.

If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated. Contact a physician if needed.

If On Skin: Immediately remove contaminated clothing and wash affected area with plenty of water. Contact a physician if irritation persists. Wash clothing prior to reuse.

If In Eyes: Immediately flush eyes with plenty of water. Contact a physician if irritation persists.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
