GENERAL USE— In and Around Dwellings, Open Air Theaters, Restaurants, Drive-ins, also in and around Dairy Barns, Livestock Barns, Pig Pens, Food Lots, Cattle Pens, Horse Stables, Garbage Bumps, Outside Meat Packing Establishments (including Federally Inspected) for Control of Resistant and Non-resistant House Flies, Lesser House Flies, Muscoides, Gnats: Direct spray throughout the fly infested areas, spraying around and above animals but not directly at animals. Repeat as necessary. Do not use in milk processing rooms. Do not use fog applications in dwellings and restaurants. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

BARNY BARN FOGGERS— Resistant and Non-resistant House Flies, Lesser House Flies, Mosquitoes, Gnats: Use approximately 1 oz. of DIBROM Fly & Mosquito Spray to 3000 cubic feet of space. Close all doors and windows where possible before fogging. Cows may be in barn during fogging operations. Apply around and above animals, but not directly at animals. Do not use in milk processing rooms.

WINERIES, CANNERIES, CIDER MILLS, FOOD PROCESSING PLANTS, LOADING DOCKS, CULL PILES, REFUSE AREAS: Drosophila (Fruit Fly)— Spray as necessary contacting walls, floors, doorways, windows, refuse piles and cull piles except those for stock feed. Avoid contamination of feeds, feedstuffs and food processing machinery.

ROACHES (Water Bugs)— Spot Application Only: for Control of All Species of Resistant and Non-resistant Cockroaches, including German, Brownbanded, Oriental and American Roaches In and Around Dwellings, Boeries, Barns and Other Buildings Where Roaches Exist— Apply as a coarse spray to areas infested by roaches to contact insects as much as possible. Treat daily or as necessary, applying to cracks, crevices, hiding places and adjacent exposed surfaces where insects may be contacted.

Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Open dumping is prohibited.

STORAGE

Keep pesticide in original container.

Do not put into food or drink containers.

Store in cool, dry place.

For help with any spill, leak, fire or exposure involving this material, call day or night (415) 233-3737.

PESTICIDE DISPOSAL

Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

This (use for equivalent). Do not reuse empty container. Offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or dispose of by other procedures allowed by State and local authorities.

IMPORTANT INFORMATION, READ BEFORE USING PRODUCT.

LIMITED WARRANTY: Valent U.S.A. Corporation warrants that this product conforms to the chemical description on the label and is reasonably fit for use under average conditions when used strictly in accordance with the directions on the labeling. Valent does not make nor authorizes any agent or representative to make, any other warranty, guarantee or representation, express or implied, concerning this product. Specifically, NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE IS MADE.

2. Critical and unforeseeable factors beyond Valent's control prevent it from eliminating 2" risks in connection with the use of this product. Such risks include, but are not limited to, damage to plants and crops to which product is applied, lack of complete control over the handling and application of this product, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit under average conditions for the uses stated on the labeling and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability (except those assumed by Valent under 1 above) resulting from handling, storage, and use of the product.

3. Precautions stated on the labeling should be followed to avoid hazardous exposures to the product.

DIBROM® Fly & Mosquito Spray

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Do not get on skin, eyes or clothing. Harmful if swallowed. Avoid breathing spray mist. Concentrate may cause skin damage. Use waterproof gloves when handling concentrate. In case of contact, immediately remove contaminated clothing and flush skin or eyes with plenty of water. For eyes, get medical attention. Avoid wetting the holes of animals.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, give water to drink and telephone for medical advice. DO NOT make person vomit unless directed to do so by medical personnel. If medical advice cannot be obtained, then take person and product container to nearest medical emergency treatment center or hospital. For skin contact, immediately wash skin with plenty of soap and water. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if eye or skin irritation persists. If inhaled, remove person from exposure area.

Note to Physicians: Emergency Information -- call (415) 233-3737. This product contains an aromatic petroleum distillate and an aspiration hazard may exist. Naled is a cholinesterase inhibitor. If signs and symptoms of cholinesterase inhibition appear, atropine is antidotal. 2-PAM may also be used in conjunction with atropine but should not be used alone.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE. KEEP OUT OF REACH OF CHILDREN. DO NOT USE OR STORE near heat, open flame, sparks or hot surfaces. USE ONLY IN WELL VENTILATED AREA. Keep container closed. Clean up spills immediately. Liquid evaporates and forms vapor (fumes) which can catch fire and burn with explosive violence. Invisible vapor spreads easily and can be set on fire by many sources such as pilot lights, welding equipment and electrical motors and switches. Fire hazard is greater as liquid temperature rises above 85°F.

DO NOT weld, heat or drill this container. Replace cap or bung. Empty container still contains hazardous or explosive vapor or liquid.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

DIRECTIONS

DIBROM Fly & Mosquito Spray is suitable for use in Fog Guns, Microsog Foggers, Heat Generating Foggers, Dairy Barn Foggers, Hydra-Guns or suitable automatic atomizing application equipment. May corrode metal spray equipment. Flush sprayers out occasionally with kerosene to prevent possible corrosion. USE UNDILUTED -- Apply as a finely atomized space spray using applicator adjusted to produce particle sizes not smaller than 30 microns.
