Dear Mr. Maurer:

Subject: Supplemental Labeling for Use on Soybeans
 Orthene 75 S
 EPA Registration No. 59639-26
 Your Submission Dated November 30, 2005

The supplemental labeling referred to above and submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following provision:

In order to ensure that the information in the Remarks section of the application table do not conflict with the General Use Precautions, revise the statement in the Remarks section to read "Repeat treatment as necessary to maintain control, but do not exceed a maximum of 2 lbs./A (1.5 lbs. ai/A) per season."

At your next label printing, or within eighteen months of the date of this letter, whichever comes first, you must incorporate this supplemental labeling into the main product labeling. A stamped copy of the label is enclosed for your records. Please submit one copy of your final printed label before you release the product for shipment.

Sincerely yours,

Daniel C. Kenny
