

Eliminates Overflows
Continuously Cleans
Broad Spectrum Micro-Biocide

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use in drain pans of cooling equipment, air conditioners, refrigerators, coolers, ice machines, and floor drains.

Slim, flexible ALGAE GUARD easily fits into air conditioner or refrigeration drain pans, and other drain openings, controlling the growth of bacteria in these areas.

Not for use in heat vaporizing or atomizing humidifiers.

Installation Instructions: Remove from plastic bag. KEEP KNIT ENCLOSURE IN TACT. Place on the surface of the pan, as close to the cooling coil as possible. Install away from the drain out flow.

For use only for application in medical, government, commercial, airport, resort, school and industrial areas.

DANGER, CORROSIVE:

CORROSIVE: Causes irreversible eye damage and skin burns. May be fatal if swallowed, absorbed through the skin, or inhaled. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wear protective eye gear (goggles or face shield), protective clothing, and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

FIRST AID	
If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
If swallowed	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If inhaled	Move person to fresh air.
Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling or going for treatment. You may also contact 1-800-255-3924 for emergency treatment information.	

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

Storage And Disposal

Keep container closed when not in use. Do not store below 25 or above 100 degrees F for extended periods.
PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Open dumping prohibited.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or Environmental Control Agency, or the nearest EPA office for guidance.

CONTAINER DISPOSAL: Triple rinse or equivalent. Puncture plastic containers. Then offer for recycling or incinerate, or if allowed by state and local authorities, burn container. If burned, stay out of smoke.
