Leesburg, VA 20175

Subject: Algae Guard  
EPA Registration No. 59682-1  
Amendment Date: December 10, 2004  
EPA Receipt Date: December 15, 2005

Dear Ms. Laird,

The following amendment submitted in connection with registration under FIFRA, as amended, is acceptable with conditions listed below.

- Addition of use sites

**Conditions**

Revise the label as follows:

1. Revise the use site, foot and hoof baths, to state "shoe baths."
2. Under Installation Instructions, **Bold** the following subheadings:
  - a. **In drain pans of air conditioner, refrigerator, ice machine, and coolers**
  - b. **In floor waste drains of all types**
  - c. **In soda and beer waste drains,**
  - d. **In shoe baths**
3. According to the Label Manual, 3<sup>rd</sup> Edition, the percentages of active and inert ingredients must be aligned by the decimal point.

Alkyl (60% C12, 30% C16, 5% C18, 5% C12) dimethyl ammonium chloride .....	16.0%
Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chloride .....	16.0%
Inert Ingredients.....	68.0%
Total .....	100.0%

- 4. Move the heading, "Precautionary Statements", and subheading, "Hazard to Humans and Domestic Animals," to appear above the Signal Word, **DANGER** and precautionary statements paragraph.
- 5. Under the "Precautionary Statements," delete the second "corrosive" statement. Revise the statements to read "Causes irreversible eye damage and *skin burns*. May be fatal if swallowed, *absorbed through the skin, or inhaled*. *Do not breathe dust*. Do not get in eyes, *on skin*, or on clothing. Wear protective eye gear (goggles or face shield), *protective clothing*, and rubber gloves. Wash thoroughly with soap and water after handling and *before drinking, eating, chewing gum or tobacco*. Remove and wash contaminated clothing before reuse."
- 6. Bold the headings, **FIRST AID** and **Note to Physician**.
- 7. The statement, "Do not contaminate water, food, or feed by storage or disposal," must appear immediately after the "Storage and Disposal" heading. Delete "PROHIBITIONS."
- 8. Add the subheading, "**Pesticide Storage**," in bold. It must precede the "Keep container closed.... extended periods" instructions. Also, add the statement, "Store away from moisture," to this section.

**General Comments**

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed label before distributing or selling the product bearing the revised labeling.

If you have any questions regarding this letter, please contact Jacqueline McFarlane at (703) 308-6416.

Sincerely,

Velma Noble  
Product Manager (31)

Eliminates Overflows Continuously Cleans  
Broad Spectrum Micro-Biocide

**Directions for use:** It is a violation of FEDERAL law to use this product in a manner inconsistent with its labeling.  
For use in the drain pans of cooling equipment, air conditioners, refrigerators, coolers, ice machines. Use in floor waste drains in food processing plants, bars, restaurants, industrial plants, animal care facilities, animal farms, dog/cat animal facilities, breeding and grooming establishments, cruise lines, florists and flower shops, and veterinarian clinics, urinals, foot baths and hoof baths.  
For use in soda and beer waste drains to control the growth of bacteria in these areas. Helps prevent the build up of "sugar snakes." Easily used in cooling system waters such as commercial/industrial evaporative coolers, refrigeration and air conditioning system drain pans and shower stall drains, and other equipment.  
Algae Guard is a controlled-released micro-biocide controlling growth of fungi, mildew, slime, bacteria, algae and their odors. Slim, flexible ALGAE GUARD easily fits into air conditioner or refrigeration drain pans, and other drain openings, controlling growth of bacteria in these areas.  
Not for use in heat vaporizing or atomizing type vaporizer humidifiers.  
For use in medical facilities, nursing homes, government, commercial buildings, residential air conditioning units, cruise ships, airports, hotels and resorts, school and industrial areas.

**Installation Instructions:** Remove product from plastic bag. KEEP KNIT ENCLOSURE IN TACT.  
In drain pans of air conditioner, refrigerator, ice machine, and coolers: place on the surface of the pan away from the drain outflow, as close to the condensate source as possible. Do not allow product to block drain.  
In floor waste drains of all types: form product into a circle and secure in the drain inflow. Do not allow product to drop into drain.  
In soda and beer waste drains: place product in the drain pan away from drain outflow, where it will contact the flow of waste liquid. Cover with drain shield. Do not allow the product to cover the drain.  
In evaporative coolers: place the product in the sump (wet section). In foot and hoof baths: place product in corner of bath.

# ALGAE GUARD

Controlled Release Microbiocide  
For commercial and industrial use.

## DANGER CORROSIVE:

CORROSIVE: Causes irreversible eye damage. Harmful if swallowed. Do not get in eyes, or on clothing. Avoid contact with skin. Wear protective eye gear (goggles or face shield), and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

### FIRST AID

**If in eyes** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing.

**If on skin or clothing** Remove contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15 - 20 minutes.

**If swallowed** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If Inhaled** Move person to fresh air. If person is not breathing, call 911, or an ambulance, then give artificial respiration preferably by mouth-to-mouth, if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling or going for treatment. You may also contact 1-800-255-3924 for emergency treatment information.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

### Storage And Disposal

Keep container closed when not in use. Do not store below 25 degrees or above 100 degrees F for extended periods.

**PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Store away from moisture.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label directions, contact your State pesticide or Environmental Control Agency, or the nearest EPA office for guidance.

**Container Disposal:** Wrap empty plastic bag and box for trash collection. When discarding knit enclosure wrap in newspaper and place in trash for collection.

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:

MAR 4 2005
