

Mykon AML

For Manufacturing Use Only

For Use in the Manufacture of Industrial/Institutional Products Used to Sanitize Laundry

ACTIVE INGREDIENT:
 Tetraacetyl ethylenediamine..... 92.00%

INERT INGREDIENTS:..... 8.00%

TOTAL:..... 100.00%

CAUTION

KEEP OUT OF REACH OF CHILDREN

FIRST AID

- IF ON SKIN Take off contaminated clothing. Rinse skin with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.
- IF IN EYES Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- IF INHALED Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth. Call a poison control center or doctor for further treatment advice.
- IF SWALLOWED Call poison control center or doctor for treatment advise. Have a person sip a glass of water if able to swallow. **Do not** induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Manufactured by:

Warwick International Limited
 Mostyn, Holywell
 Flintshire CH8 9HE, U.K.

EPA Registration No.: 59835-R
 EPA Establishment No.: 59825-GRB-1

NET CONTENTS: 1000 kg (2200 lbs.)
PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with eye, skin or clothing, wash thoroughly with soap and water after using.

Wear impervious or dust proof gloves, coverall and footwear with safety glasses when opening the containers or transferring material to processing equipment. Wash all contaminated clothing before reuse. Suitable respiratory equipment should be selected based on the product's atmospheric concentration and the duration of exposure.

ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System Permit (NPDES) and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

This material is stable when dry at ambient temperatures. Reacts with acids, alkalis, and strong oxidizing agents. Reacts in aqueous solution with peroxide to form peracetic acid

NOTICE: Warwick International Limited ("Warwick") makes no warranty, expressed or implied, including the warranties of merchantability and/or fitness for any particular purpose, concerning this material, except those which are contained on this label.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

THIS PRODUCT IS TO BE USED ONLY FOR FORMULATING INTO OTHER FIFRA REGISTERED END USE PRODUCTS

Formulators using this product are responsible for obtaining EPA registration of their formulated products. The end-use product should be formulated so that the use-concentration of TAED noted below can be achieved.

Commercial/institutional Laundry Sanitization

Normal load - ~ 400 ppm TAED, 4 gms/10 lbs. load-clothing (~ 7 gal water)

Heavy soil - ~ 600 ppm TAED, 6 gms/10 lbs. load-clothing (~ 7 gal water)

Note: TAED is not an active Antimicrobial unless in aqueous solution with a second "activating" ingredient, oxygen donors such as hydrogen peroxide, percarbonates, perborates, or persulfates. The second active must be incorporated by the formulator.

STORAGE AND DISPOSAL

Do not contaminate food, feed, or water by storage, disposal or by cleaning of equipment.

Container Storage - Store in a cool, dry place away from sunlight. Avoid extremes of temperature.

Container Disposal - Completely empty container by shaking or tapping sides and bottom to loosen clinging particles. Add recovered particles to application equipment. Dispose of in a sanitary landfill, or by other procedures as approved by state and local authorities or return tote to Warwick International for recycling. Do not reuse container.

Waste Disposal - Wastes resulting from use or storage of this product may be disposed of at an approved waste disposal facility. Dispose of in compliance with applicable State or Federal regulations.
