Section III

1. Material This Product Will Be Packaged In:				2. Type of Container	
Child-Resistant Packaging <input type="checkbox"/> Yes* <input type="checkbox"/> No	Unit Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No	Water Soluble Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No		<input type="checkbox"/> Metal	<input type="checkbox"/> Plastic
				<input type="checkbox"/> Glass	<input type="checkbox"/> Paper
				<input type="checkbox"/> Other (Specify) _____	
* Certification must be submitted.		If "Yes," Unit Package wgt.	No. per container	If "Yes," Package wgt.	No. per container
3. Location of Net Contents Information <input type="checkbox"/> Label <input type="checkbox"/> Container		4. Size(s) of Retail Container		5. Location of Label Directions <input type="checkbox"/> On Label <input type="checkbox"/> On Labeling accompanying product	
6. Manner in Which Label Is Affixed To Product		<input type="checkbox"/> Lithograph	<input type="checkbox"/> Paper glued	<input type="checkbox"/> Other (_____)	
		<input type="checkbox"/> Stenciled			

Section IV

1. Contact Point (Complete items directly below for identification of individual to be contacted, if necessary, to process this application.)		
Name RICH DUNSTAN	Title PRESIDENT	Telephone No. (Include Area Code) 206-885-6050
2. Signature 		3. Title PRESIDENT
4. Typed Name RICH DUNSTAN		5. Date 9/21/95
I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.		6. Late Application Received (Stamped)

REVISED SHELL-GUARD LABEL

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SURFACE PREPARATION

Wood must be clean and bare: free of dirt, wax, and surface finishes. Remove all previous coatings or sealants. Remove surface mold or mildew prior to applying SHELL-GUARD™. Do not apply to frozen wood. Surface temperature must be between 40°F and 90°F.

PREPARATION OF TREATMENT SOLUTION

An aqueous solution is used for treatment. To prepare solution stir an equal amount by volume of SHELL-GUARD™ into warm clean water. Stir or agitate while adding until SHELL-GUARD™ is completely dissolved in the water. Use the mixture within 24 hrs as settling of concentrate may occur. Mix in separate container, do not mix in spray applicator.

REMEDIAL AND PREVENTATIVE TREATMENT

For remedial and preventative control of organisms attacking wood, apply the diluted solution of SHELL-GUARD™ by brush or spray until surface is thoroughly wet (1 gal. per 108 sq. ft.). Thoroughly soak cut ends. Application may also be made by drilling and then injecting the solution under pressure into sound wood or until run-off is observed from entry/exist holes of infested wood. Treatment methods as described yields an approximate retention level of .24 lbs. per cubic ft. boric acid equivalent (BAE) in the outer 3/4" of the wood. To minimize borate leaching apply a water resistant sealer such as LIFELINE EXterior™ AFTER THE SURFACE IS DRY TO THE TOUCH - in low temperature and high humidity locations this may take 1-4 wks.

CLEAN UP

Clean up tools and equipment with water. Rinse well and allow to dry.

Seller makes no warranty expressed or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risk of use and/or handling of this material when use and/or handling is contrary to label instructions.

Notice: Because of many varying conditions affecting use and application, manufacturer warns buyer that these may impair or vary the results or effects of the use of this product. In any event, complete prevention of decay by fungi or other organisms is not guaranteed. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label, or when used contrary to the directions or instructions hereon, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used or handled in accordance with this label. There are no express or implied warranties of merchantability or fitness for any particular purpose, except as specifically stated herein. Manufacturer shall not be liable for any consequential damages based on the use of the product.

GENERAL INFORMATION

SHELL-GUARD™ is a water soluble inorganic borate salt insecticidal, termiticidal, and fungicidal properties

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Avoid contact with eyes. Wash thorough contamination of food and feed. Do not leave container where children or animals may gain access. Avoid inhalation of spray mist by using a mist blower in open spaces. Use of gloves, protective clothing (long sleeves and pants) is recommended. Refer to MSDS for specific information.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED, immediately contact a physician or Poison Control Center. If unavailable, give victim 1 or 2 glasses of water and induce vomiting with fingers. Do not induce vomiting or give anything to a child or person. **IF IN EYES**, flush with plenty of water. Get medical attention. **IF ON THE SKIN**, remove contaminated clothing and wash with soap and water. **IF INHALED**, remove victim to fresh air.

ENVIRONMENTAL HAZARDS

SHELL-GUARD™ solutions carelessly spilled or applied to soil, including trees and shrubs, may kill or seriously retard plant growth. Do not use wash-water when disposing of equipment wash-waters. Do not use in areas where surface water is present or to intertidal areas below low tide.

STORAGE AND DISPOSAL

Pesticide Storage: Do not Freeze. Do not store in areas where children or animals may gain access.

Pesticide Disposal: Do not contaminate water, soil, or food with storage or disposal. Wastes resulting from use may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Do not reuse empty containers. Follow Federal, State, or Local authorities for appropriate disposal procedures.
