Product Name: WATERBASED WOODLIFE® 4:1 CONCENTRATE
EPA Registration Number: 60061-96
Application Date: June 8, 2016
Decision Number: 518377

Dear Ms. Custer:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Causes moderate eye irritation. Avoid contact with eyes, swallowed, inhaled or absorbed through the skin. Avoid breathing contaminated clothing and wash before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Mixers and loaders using liquid formulation must wear:

1. Long-sleeved shirt and long pants.
2. Chemical resistant gloves (such as barrier laminate, nitrile rubber, etc.)
3. Safety glasses
4. Shoes plus socks

USER SAFETY REQUIREMENTS

- Follow manufactures instructions for clean/maintaining PPE. If non-washables, use detergent and hot water. Keep and wash PPE separately.
- Discard clothing and other absorbent materials that have been contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using hand tools.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and change into clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not dispose of equipment wastewaters. Do not discharge effluent containing this pesticide into streams, ponds, estuaries, oceans, or other waters unless in accordance with applicable Federal, State, and local water pollution control regulations. NPDES permit holders must comply with the National Pollutant Discharge Eliminations System (NPDES) permit conditions. Do not discharge effluent containing this pesticide into navigable waters without previously notifying the local sewage treatment plant. For more information, contact your State Water Board or Regional Office of Environmental Protection.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE: Do not use or store near heat or open flame.

IN CASE OF FIRE

Use water, fog, foam, carbon dioxide or dry chemical. Cool closed containers before moving.

LIMIT OF WARRANTY AND LIABILITY
