Sandy Lea
Pesticide Registrar
Kop-Coat, Inc.
436 Seventh Avenue
Pittsburg, PA 15219

Subject: Notification per PRN 98-10 –Updated storage and disposal language
Product Name: Copper Powder 1921
EPA Registration Number: 60061-111
Application Date: March 15, 2016
Decision Number: 515449

Dear Mr. Lea:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Joe Daniels at (703) 347-8669 or via email at daniels.joseph@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "E. Miederhoff". The signature is written in a cursive style with a large, stylized initial "E".

Net Contents: 189 grams

Kop-Coat, Inc.
36 Pine Street
Rockaway, NJ 07866

DIRECTIONS FOR USE:

Mix the entire contents of this bag only with the liquid portion of this product. Mix immediately prior to use. See other container for additional directions for use.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store powder in original container inside a dry area, -20 degrees to 40 degrees C (0-100 degrees F). Powder will oxidize. Do not leave container open.

CONTAINER HANDLING: Completely empty bag into application equipment, then offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration. Do not burn, unless allowed by state and local ordinances.

CONTAINER DISPOSAL: Non-refillable container. Offer for recycling if available or dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
