b. Add the statement "***IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING***" above the heading "Directions for Use."

3. Submit three (3) copies of the final printed label prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward
Product Manager 34
Regulatory Branch II
Antimicrobials Division (7510P)

Enclosure: (Stamped Labeling)

DIRECTIONS FOR USE:

Timbertreat® ICA-20 is 20% wt/wt solution of boric acid in water. For best results, the solution should be heated to 75-90°C under gentle agitation before use.

Application Directions

Timbertreat® ICA-20 may be applied by flood, dip or spray to wood or wood products such as OSB, plywood and LVL to provide protection against decay and wood destroying insects. It can be combined with other registered fungicides or insecticides at the point of application to provide broad spectrum protection. It can also be combined with other ingredients such as diluents or surfactants at the point of application to enhance penetration into wood. For best results the solution should be kept hot during application.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **PESTICIDE STORAGE:** Store this product in its originally labeled container in a storage area located in a cool place. Keep container and freshly treated articles away from high temperature areas, sparks, fire, or open flame. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticides or Environmental Control Agency, or the Hazardous waste representative at the nearest EPA Regional Office for guidance. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local

LIMIT OF WARRANTY AND LIABILITY

This company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use. This product is sold subject to the understanding that the buyer assumes all risks of use or handling of this material not in strict accordance with the directions given herewith which are beyond the control of the seller, such as, for example, incompatibility with other products and the manner of its use or application. **NO OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY IS MADE.** The exclusive remedy of the buyer, and the limit of liability of this company or any other seller for any and all losses, injuries or damages resulting from the use or handling of this product shall be the purchase price paid by the user or buyer for the quantity of this product involved. The buyer and all users are deemed to have accepted the terms of this notice, which may not be varied by any verbal or written agreement.
