2 SEP 1992

Dear Ms. Aal:

Subject: Response to DEET LIP
Skin Defender
EPA Reg. No. 61278-1
Submission: August 17, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

- 1) Delete the statement "SKIN DEFENDER provides 16 times your natural sun burn protection" from the label (as indicated in Registration Notice).
- 2) Declare the names of the active sunscreen ingredients on the label as a footnote to the ingredient statement (as indicated in the Registration Notice).

Although we still encourage inclusion, we have determined that it is acceptable to exclude the statement from your label, "If you go to a doctor, take this repellent with you". You do not need to submit an amendment to remove this from your label.

Sincerely,

RFM
Richard F. Mountfort
Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)

SKIN DE

"SUN WON'T BURN, BUGS WON'T BITE" is a skin care product that defends your skin against insect bites. Ideal for hikers, joggers, swimmers, and sunbathers, and the sun and insects. When used, it provides 16 times your natural protection.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner that is inconsistent with the directions on the label.

Read all directions before use.

SHAKE WELL:

Apply to exposed areas of skin. Do not apply to the hands or face. Use as a repellent to cover exposed skin under clothing. Avoid over-saturation. If saturation is unnecessary, return indoors, wash treated clothing. Use of this product in rare cases may cause skin irritation. If you experience a reaction to this product, visit your physician or a poison control center. Wipe off this product from fabrics, fibers, plastics, and painted surfaces.

WARNING:

For external use only. Avoid contact with eyes. Keep out of the reach of children.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Irritation to eyes, nose, and lips. Harmful if swallowed. Rare cases of allergic reactions.

STATEMENT OF PRACTICE

IF IN EYES: Wash with plenty of water.

IF ON SKIN: May cause skin irritation. Wash with soap and water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

Do not reuse container. Rinse container and place in trash.

ACTIVE INGREDIENTS:

N, N-diethyl-p-toluamide...
Other isomers...

INERT INGREDIENTS...

EPA REG. NO. 61278-1

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner that is inconsistent with its labeling.

Read all directions before using this product.

SHAKE WELL:

Apply to exposed areas of skin. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call you local poison control center. Wipe hands after application because this product contains DEET and may damage some synthetic fibers, plastics, and painter or varnished surfaces.

WARNING:

For external use only. Discontinue use if irritation develops. Keep out of the reach of children.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. Warning: Causes substantial but temporary eye injury. Avoid contact with eyes and lips. Harmful if swallowed. May cause skin reaction in rare cases.

STATEMENT OF PRACTICAL TREATMENT:

IF IN EYES: Wash with plenty of water. Get medical attention.

IF ON SKIN: May cause skin reaction in rare cases. If so, wash with soap and water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL:

Do not reuse container. Rinse thoroughly before discarding. Wrap container and place in trash collection.
