Re: Label Correction Notification Clean-Up Pour-On Insecticide With IGR EPA Registration No. 61483-91

Dear Mr. Gebken:

Enclosed are the following documents in accordance with notification of correction of label language to indicate the addition of a new container size and related information on pages 1 and 4 of the label.

- . EPA Form 8570-1 (Rev 3-94),
- . One (1) copy of the label marked to show the changes,
- .  $(\mathbf{k})$  copies of the label unmarked.

"This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA."

If you have any questions, please contact me 713-819-3932 or hroneal@suddenlink.net.

Sincerely

Du Haubert & O'keep

#### PRECAUTIONARY STATEMEN IS

#### Hazards to Humans and Domestic Animals

CAUTION: Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

#### **Personal Protective Equipment (PPE)**

Some materials that are chemical-resistant to this product are butyl rubber, neoprene and polyvinyl chloride (PVC). If you want more options, follow the instructions for category A on an EPA chemical-resistance category selection chart.

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants;
- · Shoes plus socks;
- · Chemical resistant gloves; and
- Chemical-resistant apron for persons cleaning equipment, and for handlers performing animal dip applications.

#### **User Safety Requirements**

- Follow manufacturer's instructions for cleaning/maintain PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched (except as required by directions for use) or heavily contaminated with this product's concentrate. Do not reuse them.

#### USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS:** This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treatment area.

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

#### **DIRECTIONS FOR USE**

## It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## PRECAUTIONS AND RESTRICTIONS

- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.
- Not for use in outdoor residential misting systems.
- Not for use in metered release systems.
- Not for use in commercial animal premise automatic misting systems.
- Not for broadcast application.
- Do not make outdoor applications during rain.
- Do not apply when food or feed is present.
- Remove or cover food processing equipment and food preparation surfaces, or wash them before use.
- Do not apply by high pressure hand wand, hand held foggers, or fog/mist generators.
- Other than applications to building foundations (up to a maximum height of 3 feet) and soil/vegetation around structures, all outdoor applications to impervious surfaces such as windows, doors, and eaves are limited to spot and crack-and-crevice applications only.
- Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- When used in dairy barns or facilities: Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking.

TARGET ANIMAL	TARGET PEST	APPLICATION INSTRUCTIONS
Lactating and non-	Sucking Lice, Chewing	Pour-On: Apply 3 ml. per 100 lbs. body weight of animal up
lactating dairy cattle,	Lice, Houseflies, Stable	to maximum of 30 ml. for any one animal. Pour along back
beef cattle, calves and	flies, Horse Flies,	line and down face. Product may be either administered
MATURE horses	Black Flies, Horn Flies,	directly from graduated tip-and-pour container, graduated

Horses and Foals	Sucking Lice, Chewing	Wipe-On: Apply 3 ml. per 100 lbs. body weight of animal
	Lice, Houseflies, Stable	up to maximum of 30 ml. for any one animal. Dampen an
	flies, Horse Flies,	applicator mitt, cloth or toweling with Clean-Up Pour-On
	Black Flies, Horn Flies,	Insecticide with IGR. Rub over hair with special attention to
	Deer Flies, Face Flies	the legs, shoulders, neck and facial areas where pests appear
	and Cattle Ticks.	or tend to congregate. Apply directly onto attached ticks.
		cece
		Ready-To-Use Spray: Use Clean-Up Pour-On Insecticide
		with IGR undiluted in a mist sprayer, applying 3 nd. per 100
		lbs. body weight of animal up to maximum of 30 ml. for any
		one animal. Direct spray to the legs, shoulders, neck and
		facial areas where pests appear or tend to congregate. Apply
Sander of Stations		directly onto attached ticks.

## **READY-TO-USE: NO DILUTION NECESSARY**

**Instructions for all methods of application:** Keep away from eyes and mucous membranes of animal being treated. Repeat treatment as needed, but do not apply more than once every two weeks.

Product is not effective in controlling cattle grubs: therefore, the product can be used on cattle at any time of the year without fear of host-parasite reactions commonly associated with grub treatment products.

A 64 oz container will treat up to 63 animals.

A 2.5 gallon container will treat up to 315 animals.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Keep container sealed when not in use. Do not store near food or feed.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container <sup>1</sup>/<sub>4</sub> full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available.

WARRANTY AND LIMITATION OF DAMAGES: Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use an Buyer assumes the risk of any use contrary to such directions. To the extend consistent with applicable law, Seller makes no other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing and with specific reference to this warranty. To the extent consistent with applicable law, in no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which claim is made.
