NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 61553-1."
- b. Change the statement "Keep Out Of Reach Of Infants And Younger Children" to "Keep Out Of Reach Of Children."
- c. Change the precautionary labeling to read:

Harmful if swallowed. May cause eye irritation. Do not get in eyes or on lips.

- d. Add the statement "Do not induce vomiting because of aspiration hazard" to the Statement of Practical Treatment for If Swallowed.

1.60%. This is the percentage that must be declared in the ingredient statement. Submit a revised CSF showing the proper amounts in columns 14.a. and 14.b.

- g. Since the sunscreen ingredients are not pesticidally active they must be listed with the inert ingredients. A footnote to the ingredients statement must be added to name the sunscreen ingredients.

3. Provide the chemical identity of Fragrance, V8708. Include the Chemical Abstracts Service (CAS) Number and a Material Safety Data Sheet. All chemical components of this fragrance must be identified by CAS Numbers and percentage in the mixture. Certify that the fragrance is a nonfood type.

4. Submit a 1-year storage stability study. The formulated product must be analyzed for its active ingredients at time zero and during a year of storage. The storage must be under warehouse conditions of temperature and humidity using containers similar to those that will be used in the trade. This data must be submitted within 15 months of the date of this Registration Notice.

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Instruct older children in the proper use of this product. Keep young children and infants away from this product. Do not apply to lips or around eyes. In case of contact with eyes, flush with plenty of water.

Physical or Chemical Hazards

Do not use or spill near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To repel the insects listed on the Front Panel, apply liberally to all exposed skin areas. To apply to face, spray on hands and rub on, avoiding eyes and lips. Repeat as needed. For ticks and chiggers, also apply liberally to shoe tops, socks, and around openings in clothing.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

STORAGE AND DISPOSAL

Storage: Store in a cool dry area away from heat or open flame.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

DIRECTIONS: It is a violation of federal law to use this product in a manner inconsistent with its labeling. To apply, pour in hand and spread liberally to face and all exposed skin areas. Avoid eyes and lips. Repeat as needed. For Ticks and Chiggers apply to shoe tops, socks and around openings in clothing. May damage some plastics and synthetic fabrics.

WARNING: Keep out of reach of children. Harmful if swallowed. In case of contact with eyes, flush with plenty of water. Get medical attention if irritation persists. Store in cool dry area away from open flame. Don't reuse container. Wrap and dispose.

ACTIVE INGREDIENTS (26%):
