NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(5)(A) provided that you:

A. Make the labeling changes listed below before you release the product for shipment:

1. Add "EPA Reg. No. 61887-1" to your label.
2. Restructure your ingredient statement as follows:

Active Ingredient	
d-Limonene	5.8%
Inert Ingredients	94.2%

3. Change "Statement of Practical Treatment" to "First Aid."
4. Add the following "ENVIRONMENTAL HAZARDS" statement to your label after the "FIRST AID" statement:

ENVIRONMENTAL HAZARDS: Do not apply directly to water.

5. Revise the beginning of your use directions as follows:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: For killing and repelling gease-loving and sugar-loving ants in and around domestic living quarters.

Indoor Use: Spray from ... wood surfaces.

Outdoor Use: Spray .. visibly wet.

6. Delete the following two sentences under "STORAGE AND DISPOSAL": Do not apply directly ... washwater or rinsate.

Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Robert A. Forrest
