Dear Mr. McPartland:

Subject: Labeling Amendment  
Orange Guard  
EPA Reg. No. 61887-1  
Your submission dated 22 July 1997

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, has been received and reviewed, and the labeling is acceptable subject to the comments listed below. Please submit three (3) copies of your final printed labeling incorporating these changes prior to releasing your product for shipment. A stamped copy is enclosed for your records.

1. Change the statement "Use near food, children, and pets" to read "May be used around food, humans and pets."
2. The Agency has not completed a full review of the efficacy data that you have submitted supporting the claim that your product "Kills and Repels Roaches and Fleas. Currently, these claims are on product labels with the same active ingredient at a lower percentage. Once the reviews of your efficacy data have been completed, if the Agency determines from data that you have submitted that this product is non-efficacious for killing, mitigating or otherwise destroying roaches and fleas, you MUST remove these claims from your labeling.

Sincerely,

/s/

Leonard Cole
