ORANGE GUARD, INC.

Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Revision to updated label format, images and batch code.  
Product Name: ORANGE GUARD  
Admin Number: 61887-1  
EPA Receipt Date: 01/03/2025  
Action Case Number: 00680380

Dear Tor McPartland:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Brad Miller via email at [miller.brad@epa.gov](mailto:miller.brad@epa.gov).

Sincerely,

James Parker, Environmental Scientist  
BPB, BPPD  
Office of Pesticide Programs

Net Contents: 128 fl oz

**PRECAUTIONARY STATEMENT**

**FIRST AID:** Have the product container or label with you when calling a poison control center or doctor or going for treatment. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor immediately for treatment advice. **Hazards to humans and domestic animals: CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

**ENVIRONMENTAL HAZARDS:** This product may be hazardous to aquatic invertebrates. Do not apply directly to water. **DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. **INDOOR USE:** Spray from 8" to 12" directly on ants, roaches, palmettos, fleas, silverfish, and other insect pests. Saturate area until visibly wet. Use stream setting on roaches, and for penetrating cracks and crevices. Spray in kitchens, pantries, and under cabinets and appliances - anywhere insects hide. Wait three minutes, then wipe excess with damp sponge or cloth. Apply to pet bedding to control fleas. Keeps repelling for weeks. **OUTDOOR USE:** Spray perimeter of home generously to make a barrier of protection. Spray doorways, window frames, cracks - anywhere an insect can enter. Saturate until visibly wet. Saturate areas of trail or nests. Spray garbage cans, manure piles or any infested areas until visibly wet. **STORAGE AND DISPOSAL:** NON-REFILLABLE CONTAINER.

Do not contaminate water, food or feed by storage and disposal. **Pesticide Storage:** Store only in original container in a cold dry place, inaccessible to children and domestic animals. **Pesticide Disposal and Container Handling if Empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
