Boca Raton, FL 33428

Dear Mr. Champon:

Subject: Insect Control
EPA Registration No. 61966-1
Your letter dated August 12, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records. Five copies of the finished label must be submitted.

Label Comments:

1. Under the word "Indoor" you may delete the third sentence "Not for use in kitchens."
2. You may change the heading of "For Domestic...Only" to "For Domestic Use."
3. After the heading "Outdoor" you may delete the wording "(Non-Food)."

INSECT CONTROL

Our Insect Control uses only extract of chili and essential oil of mustard to create a unique pesticide alternative. This dual-action formula kills on contact and maintains a repellent action against many insects as indicated below. Convenient, ready-to-use formula.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOOR

Use and Restrictions

Do not use on fabric or carpet, as stains will result. Apply only to areas inaccessible to children and pets. Avoid contamination of food and foodstuffs for use in kitchens.

FOR DOMESTIC (NON-FOOD) USE ONLY

GENERAL: Product is for the control of adult insects. Use stream setting. Apply 8-12 oz. (approximately 2 full trigger sprays) per square foot.

COCKROACHES, WATERBUGS, SILVERFISH, CRICKETS, EARWIGS, CENTIPEDES, MILLIPEDES: Spray until wet in cracks and crevices, around baseboards, behind and beneath cabinets and appliances, around plumbing, and other localized areas infested with insects. After application, any product that is accessible to children and pets or that may contaminate food and foodstuffs must be wiped off. Repeat as necessary.

ANTS: Spray until surface is wet. Apply to ant trails, around doors and window frames, and wherever ants enter the house. After application, any product that is accessible to children and pets or that may contaminate food and foodstuffs must be wiped off. Repeat as necessary.

SPIDERS: Spray pests directly wherever possible. Apply to localized area where infestations occur. Spray until surfaces are wet, particularly around windows, doors, baseboards and crawl spaces. After application, any product that is accessible to children and pets or that may contaminate food and foodstuffs must be wiped off. Repeat as necessary.

OUTDOOR (NON-FOOD)

ANTS: Thoroughly wet hill and runways. Spray 2' around walkways, porch, patios and foundations to prevent insect infestation. Repeat applications as infestations warrant and as reinfestations occur.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Animals

CAUTION: Avoid contact with skin or eyes. May cause burning sensation to skin and eyes or nose due to Capsicum Oleoresin.

Statement of Practical Treatment

If on skin, wash with soap and water. If in eyes, flush with plenty of water. If swallowed, burning sensation will occur, mostly in throat. Drink plenty of water. Get medical attention if irritation persists. Do not spray directly on humans or animals.

STORAGE AND DISPOSAL

STORAGE: Store only in original container in a dry place inaccessible to children or pets.
DISPOSAL: Do not reuse empty container. Rinse thoroughly. Securely wrap in newspaper and discard in trash.
