Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or approval of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Limonene Reregistration Eligibility Decision document, EPA has reregistered the product listed above. This action is taken under the authority of sec. 4(g)(2)(c) of FIFRA. Reregistration under this section does not eliminate the need for continued reassessment of pesticides. EPA may require submission of data any time to maintain the registration of your product.

The labeling submitted in connection with reregistration under the FIFRA is acceptable subject to the following comment:

1. Delete "pure" from "Pure Orange Peel Oil": (i) under the product name and (ii) from the first sentence in first paragraph on the side panel. You cannot claim the product formulation to be pure when it contains several chemical additives and water, because it is misleading.

2. Capitalize and bold "Caution" under Precautionary Statements on the side panel.

A stamped copy of the label is enclosed for your records. Submit two (2) copies of the final printed label before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. Should you have any questions, do not hesitate to contact the Chemical Reviewer for this product, Dr. S. Oonnithan at 703-605-0368.

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals
Caution: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling.

Sensitivities may occur after using ANY pesticide product for pets. If signs occur, rinse your pet with large amounts of water. If signs continue, consult veterinarian immediately.

FIRST AID: If on skin, wash with plenty of soap and water. If in eyes, wash with plenty of water. Get medical attention, if irritation persists.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner that is inconsistent with its labeling.

Do not use on puppies and kittens under 12 weeks old. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals or animals on medication.

Application Directions: Shake well. Wet dog or cat. Massage shampoo into coat. To fully activate orange peel oil, leave on coat for ten minutes when lather is of desired consistency. Rinse. Repeat if necessary. Towel dry. Reapply every 8 weeks.

NOTE: When full strength ORANGE PEEL OIL is not required, this shampoo may be diluted with warm water.

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

DISPOSAL: Do not reuse container. Wrap container in several layers of newspapers and discard in trash.
