**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Contents for use only in pressure-treating forest products. DO NOT attempt to use without reading items 3, 4 and 5 of the Mixing Procedure Section of the manual. To be used only in the pressure impregnation of forest products utilizing water solutions having concentrations ranging from 7 to 10.5 percent by weight. Impregnation procedures must rigidly adhere to the current specifications of Hickson Corporation and/or those of the American Wood Preservers' Association.

Pressure treatment of forest products with DRICON® provides wood with protection against termites and decay producing fungi. This product is toxic to termites of the Reticulitermes genus but etching of treated wood may occur.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry place in closed original container.

**PESTICIDE DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty drum by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of drum in a sanitary landfill or by incineration, as allowed by State and local authorities.

**LIMIT OF WARRANTY AND LIABILITY**

This company warrants that this material conforms to the chemical description on the label and is reasonable fit for the purposes referred to in the directions for use. This product is sold subject to the understanding that the buyer assumes all risks of use or handling of this material not in strict accordance with the directions given herewith which are beyond the control of the seller, such as, for example, incompatibility with other products and the manner of its use or application. NO OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY IS MADE. The exclusive remedy of the buyer and the limit of liability of this company or any other seller or buyer and all buyers, in liquid or damaged goods, resulting from the use or handling of this product shall be the purchase price paid by the buyer or buyer for the quantity of this product involved. The buyer and all users are deemed to have accepted the terms of this warranty, which may not be varied by any verbal or written agreement.
