U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510W)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
62190-20

Date of Issuance:
JUL 28 1999

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Hickson BX

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Hickson Corporation
3941 Bonsal Road
Conley, GA 30288

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 62190-20".
- b. Submit five copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions, please contact Nader Elkassabany at (703) 308-8783.

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No. 62190-20

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

CAUTION

CAUTION

STATEMENT OF PRACTICAL TREATMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

IF SWALLOWED: If amounts greater than one teaspoon are swallowed, give two glasses of water and seek medical attention.

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing vapors, dust or spray mist. Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

IF INHALED: No specific treatment is necessary since boric acid is not likely to be hazardous by inhalation. Prolonged exposure to dust levels in excess of regulatory limits should always be avoided.

Good industrial hygiene practices, such as eye protection from dust, fumes or splashes, general or local exhaust ventilating, use of a full face respirator where needed, and washing hands with soap and water before eating, drinking or smoking, should be followed. Protective equipment, such as coveralls or aprons and gloves to prevent contamination of clothing and skin contact is recommended.

IF ON SKIN: Wash thoroughly with soap and water. Wash contaminated clothing before reuse.

IF IN EYES: Immediately flush with large amounts of water for 15 minutes. Seek medical attention if irritation persists.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

NET CONTENTS: 100 pounds

To be used only with Hickson BA and water to formulate treating solutions of Hickson Wood Shield.

EPA Registration No.: 62190-~~BA~~EN
Establishment No.: 62190-GA-001

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Contents for use only in pressure-treating wood products. To be used only in vacuum pressure impregnation of wood products utilizing water solutions and Hickson BA having concentrations of Hickson BA and BX ranging from 1.5 percent to 3.0 percent by weight. Impregnation procedures must rigidly adhere to the current specifications of Hickson Corporation and/or the American Wood Preservers' Association.

Manufactured by Hickson Corporation, Smyrna, GA 30027
Made in the USA

Processes used to apply Hickson BX formulations shall leave no visible surface deposits on the wood. Visible surface deposits means a surface residue or crystallization on the treated wood. Small isolated or infrequent spots of chemical on otherwise clean wood shall be allowed.

FOR MEDICAL EMERGENCIES: 1-800-837-0496
Others : 404-362-3970

Pressure treatment of wood products with this borax wood preservative provides wood with protection against termites, ascomycetes, white rot, brown rot and dry rot.

WARRANTY: We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant it to be fit for the normal purposes for which such goods are used. We assume no responsibility that this material is fit for any particular purpose outside of the general purposes of goods of the description.

STORAGE AND DISPOSAL: Store in a cool, dry and well-ventilated area. Keep in tightly closed containers. Store away from incompatible materials. Protect containers from physical damage. Observe all applicable local, state, federal guidelines for storage and disposal.
