Stern's Concern Houseplant and Garden Insect Killer is effective against a wide range of insect pests. It is made from pyrethrin, an extract derived from an African chrysanthemum. Concern works quickly to paralyze and kill insects on contact. May be used on plants indoors, outdoors, or in greenhouses throughout the growing season. It can be used right up to day of harvest.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**SHAKE BOTTLE WELL BEFORE EACH USE**

Spray when insects first appear. Hold container 12-18" from plant and spray upper and lower leaf surfaces until slightly wet. Wet as many insects with spray as possible. Be sure to penetrate dense foliage. Treatment may be repeated weekly, or as needed to control infestation. Avoid spraying plants in hot midday sun. When used outdoors, spray when air is still. Can be used right up to the day of harvest.

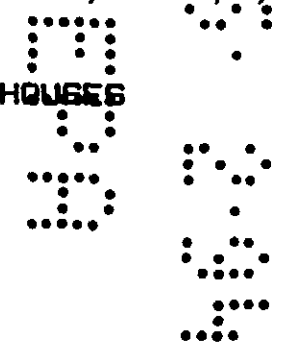

For use on Fruits and Vegetables including: Asparagus, Beans, Broccoli, Brussels Sprouts, Cabbage, Carrots, Cauliflower, Celery, Collards, Corn, Cranberries, Cucumbers, Eggplants, Grapes, Greens, Kale, Lettuce, Peas, Peppers, Potatoes, Radishes, Spinach, Squash, Strawberries, Tomatos, Turnips, etc.
